

Photo Explorers®

Photography Club

YEARS 1 - 6

DISCOVER . CLICK . CREATE

Photo Explorers® is a creative photography programme designed to build confidence, creativity and storytelling skills in a fun and supportive environment.

Throughout the term, children learn how to use a camera, explore exciting photography themes and develop real photography techniques through hands-on projects and challenges. Each child is provided with their own camera to use during the club and works towards creating a personalised photo album of their favourite photographs.

At the end of the term, every child receives a certificate of achievement and a professionally printed A4 photograph to take home and frame.
