Apply for a school place at www.eadmissions.org.uk

From 1 September 2026 you can apply for a school place online

If your child is due to start school in **September 2027** you need to apply for a school place for them.

The benefits of applying online?

- it is quick and easy to do
- the system is available 24 hours a day, seven days a week up until the closing date, **Friday 15 January 2027**.
- you can log in and change your application as many times as you like up until 11.59pm on the closing date
- you can register your mobile phone to receive reminder alerts
- you can attach documents to your application
- the system is secure and your information is safe
- the system helps you by checking for errors and telling you if you forget to fill anything in
- you will be sent an email with the outcome of your application during the evening of **Friday 16 April 2027**.

Foreword

Barnet has a diverse range of primary schools that provide an excellent education. Children make excellent progress in acquiring the skills they will need in the future and achieve some of the best test results in the country. Barnet's primary schools also offer children a wide range of other activities in sport, music or drama to ensure they receive a broad and rich education.

Starting school is an exciting time for both parents and children. It is also a critically important step in the lives of our children and this booklet is designed to give parents all the information they need about primary schools in Barnet and the admissions process.

While the booklet will be of particular interest to those parents whose children are due to start in the reception year of a primary school in the year beginning September 2027, it also contains useful information for older children who may have moved into the area or who wish to change school for other reasons.

The admissions system is co-ordinated across the whole of the London area and operated by all 33 London boroughs. This booklet gives details of how to apply to state (non-fee-paying) schools for a place in 2027/28 and the admissions criteria for each school.

Many schools also have open days when parents can visit the school to see the work that is being done by both staff and pupils. Please contact any school you are interested in to see if they have a day arranged.

I hope you find this booklet helpful and I wish your child every success in their education in Barnet.

Welcome!

If your child was born between 1 September 2022 and 31 August 2023, you will need to apply for a Reception class place for the school year beginning September 2027.

About this booklet

This booklet will help you understand the admissions process when your child starts school in a Reception class.

In this booklet we explain:

- how to choose a school
- how to fill in the online form
- how school places are allocated
- what happens if we cannot offer your child a place at a school you have chosen.

In this booklet you will also find:

- the Reception timetable
- descriptions of all the primary schools in Barnet.

There is also information about:

- nursery admissions
- admission outside the normal year group
- in-year admissions
- transfer to junior school
- fair access protocol
- school meals
- help with travel costs
- school uniform.

When does my child start school?

- children start school in the September of the school year in which they will become five years of age.
- this means most children are four years old when they start school.
- children reach statutory school age at the beginning of the term following their fifth birthday. Statutory school age means the age when a parent is legally required to make sure that their child is receiving suitable full-time education.
- if your child has an Education, Health and Care (EHC) Plan, the arrangements for your child's admission to school will be different. You will need to complete the **Phase Transfer school preference form**.

The school preference form window for submissions will be open from 9am Monday 21 September 2026 until 5pm Friday 23 October 2026.

For more information, please visit

<https://www.barnet.gov.uk/schools-and-education/school-admissions/school-phase-transfers-children-and-young-people-education>, or contact **SENadmin@barnet.gov.uk**

Deferred Entry

Parents offered a Reception place for their child can choose to:

- have their child start school full-time in September;
- arrange for their child to attend part-time until they reach compulsory school age; or
- defer their child's admission until later in the school year, provided the place is taken up no later than the beginning of the summer term.

For **summer-born children** (those born between **1 April and 31 August**), parents may request that their child is admitted to Reception in the September following their fifth birthday, rather than moving directly into Year 1. This is known as a request for admission outside the normal age group. Such requests are considered on a case-by-case basis and are not automatically approved. Further information can be found on page 107. **Deferred entry to primary school | Barnet Council.**

If a child does not take up their Reception place by the beginning of the summer term, parents will need to make a new application for a school place for the following academic year.

If you wish to defer your child's start date in Reception, you should discuss this with the headteacher of the allocated school.

Infant class sizes

Infant classes (Reception, Year 1 and Year 2) are normally limited to 30 pupils for each school teacher. This legal requirement restricts the number of children that schools can admit to these year groups. Please see the individual school pages for details of admission numbers.

Where an appeal is heard for a Reception, Year 1 or Year 2 place, special infant class size legislation is considered. This means that appeal panels have limited grounds on which they can uphold an appeal.

Co-ordinated admissions

All London boroughs work together on the Reception class admissions process and this is known as the Pan-London co-ordinated admissions scheme.

How the scheme works

- you can apply for up to six schools
- the application is submitted to the local authority where you live
- you can apply for schools within or outside Barnet
- a computer system is used to exchange information about Barnet residents applying for schools outside the borough, and other boroughs can tell us about their residents wishing to apply to Barnet schools
- if a school is oversubscribed, its published admissions criteria is used to decide who should be offered a place
- the scheme makes sure that no child is offered more than one school place
- you will get the result of your application in the evening of **16 April 2027**.

Mythbusters

Answers to those playground myths:

Myth: **My child is in the nursery so they will automatically go into the Reception class**

Fact: Everyone must apply for a Reception place even if their child already attends the nursery. Nearly all schools do not give priority for Reception places to children in the nursery class so there is no guarantee that they will get a place.

Myth: **My child has a right to a place at one of my choices**

Fact: The schools listed on your application are preferences. We will offer your child the highest preference possible but if your child does not qualify for a place at any of your preferred schools, we will normally allocate a place at the nearest school with a vacancy.

Myth: **It does not matter if my application is late**

Fact: Applications submitted after 15 January will not be considered until places have first been allocated to all applicants who applied on time and it is possible that your child will not be offered one of your preferred schools.

Myth: **Listing one school will give me a better chance of getting that school**

Fact: Listing one school has no bearing on your chances of getting a place at the school. If you list only one school and your child does not qualify for a place under the school's admissions criteria, we will offer a place at an alternative school with a vacancy.

Myth: **I can only apply for Barnet schools**

Fact: You can apply for both Barnet and out of borough schools by listing them on the Barnet application form.

Myth: Children who live on my road go to the school, so my child will get a place too

Fact: Not necessarily. Places are allocated according to the school's admission criteria, and the number of applications received under each criterion varies from year to year. Even if other children living near you were offered places previously, this does not guarantee that your child will be offered a place.

Myth: If I apply to a school in another borough, their residents will have priority over my child

Fact: Admission authorities cannot give priority simply because a child lives in a particular borough. Applications are considered using the school's published admission criteria, regardless of which borough the child lives in.

Myth: I have another child already at the school so my other child will automatically get a place

Fact: Everyone must apply for a school place even if there is another child in the family attending the school. Many schools give priority to siblings but this does not guarantee a place if there are other children who qualify under a higher criterion.

Myth: I live nearer to the school than the last child offered under the distance criterion last year so my child is guaranteed a place

Fact: No child is guaranteed a place at any school. The number of applications received and the circumstances of applicants vary from year to year, so allocation outcomes can vary. The Allocation Table on pages 46 to 47, shows how places were allocated last year and can be used as a guide but it cannot predict future outcomes.

Apply for your child's school place online at eadmissions.org.uk

Applying online for a school place is quick and easy.

Follow the steps in this leaflet and you are ready to start your child's online application.

- Each screen will explain what you need to do; more information is available wherever you see this  icon, just click on it.
- A video is available on the website to watch:
 - Creating a new account
- All sections with a  need to be completed.
-  **Help** gives guidance on the following:

 **About** gives information on the following:

- When you first use the website you can download it as an app to the device you are using. Just follow the instructions.
- **Make sure you only open one browser!**

- Register yourself on the eAdmissions website.
- Your username will be displayed on screen, make a note of it.
- You will then be asked to create your own **password**.
- Login to the eAdmissions website using the username and password that you have just created.
- You will be sent a validation email containing your **username** and instructions on how to validate your email address.
- The email will also contain a link which will take you to the eAdmissions login page to start your application.
- Please keep your username and password safe as you will need them to login and apply for any other children you have, and to see the outcome of your application. (It will be March for Secondary & 14/19 applications and April for Reception and Junior applications)
- You can opt to receive push notifications during the admissions process from an android phone or if you have an Apple device.
- It is important that you register well before the deadline in case there are any problems making your application. The closing dates are:
 - **31 October for Secondary & 14/19 applications**
 - **15 January for Reception and Junior applications**

Step 1: Getting started

- Before you start your online application, you will need to do some research.
- Visit your local authority's website for details about how applications are processed.
- Find schools in your area by using the Map.
- Read the admissions criteria for the schools you are interested in.
- Visit schools.
- Check how places were offered in previous years.
- You should check transport policies for local authorities (outside London).

Step 2: What to do if this is the first time you are applying online using eAdmissions

If you have used the eAdmissions system in the last 3 years to apply for a school place for any of your children you do not need to register again. Instead please go to Step 3.

- If you used the eAdmissions website over 3 years ago you will need to register to apply online.
- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register.
- If you already have an email address you should set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox. **You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.**

Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your username

- On the home page select 'Existing Account' and enter your username and password.
- If you have forgotten your username we can re-send it to you, just select the 'Forgotten your user name or password?' link and follow the instructions on screen.
- If you have forgotten your password we can reset it and send it to you, just select the 'Forgotten your user name or password?' link and follow the instructions on screen.

Step 4: Adding your child's details

- The next page is your home page called 'Your home page' Click 'Start application' button.
- Enter the details requested about the child you are making the application for on the 'Child details' page and select the 'Save and continue' button.

Please remember

Council tax account number: Some local authorities will ask you to provide this information for the address where your child lives. For more information use the  icon.

Child's current school: Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.

Twins or triplets: If you have twins or triplets you must make an application for each child and tick the multiple birth box.

Step 5: Adding school preferences

- Add your preferences in the order you prefer them. **You can select up to six schools** (if you live in Surrey you can only select four preferences for Reception. Preferences for junior applications will vary, so please check with your Local Authority).
- Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us you may lose out on a place allocated under the sibling criterion.
- Please be aware that not all schools have a medical or social criterion, please check before selecting your schools.
- If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criterion you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application.

Important information

- **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**
- Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example sibling box) your application will not be considered under that criterion.
- When a sibling is added to an application it will be displayed on your application on your home page against the preference

- Each time you fill in the information on a page, make sure that you select 'Continue'. Select [Add school](#) to add further schools to your application. When you have finished adding schools to your application then [Confirm selection](#)

Step 6: Submitting your application

- Select the 'Submit application' button on the last page.
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 123-2027-09-E-123456.
- If you do not receive a number it means your application was not submitted successfully and you must login and select the 'Submit application' button again.

Editing/changing your application

- You can edit and make changes to your online application until the closing date, but for your most recent changes to be recorded you will need to [Resubmit application](#) your application.
- Always keep your details and your child's details up to date on the website. You can do this on 'Your home page'.

Step 7: Attaching supporting evidence

Many local authorities need you to send them evidence to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places or the

[Local Authority Details](#) section, for example:

- Confirmation of your child's address and their date of birth.
- Evidence to support your application such as doctor's letters if you have applied under the medical criterion.
- Evidence to confirm your child was looked after or previously looked after.
- Evidence to confirm that you are a crown servant.

If you have ticked any of the categories above and do not provide evidence to show this, your local authority is unlikely to take this into account when making allocations.

What happens next?

- If you submitted your application by the closing date you will be sent the outcome of your application during the evening of the published national offer day.
- You should respond within 14 days. There are 2 ways to do this:
 1. Use the reply button in the email that you will receive during the evening. It will take you to the eAdmissions website, log in and respond.
 2. Return to eadmissions.org.uk, log in and select view outcome and respond.
- Some local authorities do not send letters if you have applied online. Check your local authority's details on the left hand side of the 'My school admissions' page.

Receipt details: Use the space below to record your application reference number, you may need to refer to this at a later date.

Application Reference Number:

The following guidance will help you to complete your application

Parental Responsibility and Consent

Anyone submitting an application for a school place must have parental responsibility for the child and must ensure that all those with parental responsibility are aware of, and agree to, the application being made.

Only **one application** can be accepted for each child. The first application received by the local authority will be accepted and processed in good faith. If a further application is received for the same child, those with parental responsibility will be expected to agree which application should proceed.

Where conflicting applications are received and agreement cannot be reached, the local authority may delay processing the application until the dispute has been resolved. The local authority cannot determine parental disputes or decide which school preferences should be submitted.

By submitting an application, the applicant is confirming that:

- they have parental responsibility for the child, or have obtained the consent of all those with parental responsibility;
- the information provided is accurate and complete; and
- the school preferences listed have been agreed by those with parental responsibility for the child.

Any dispute regarding a child's school application should be resolved by those with parental responsibility before an application is submitted.

Important: Providing false or misleading information, or submitting an application without the knowledge or agreement of another person with parental responsibility, may result in delays and could lead to the withdrawal of an offer of a school place

Your child's address

The home address provided on your application form must be the child's main residence on

15 January 2027.

Temporary addresses

We will not accept a temporary address, a business address, a childminder's address or any address, including a family member's address, that is not your child's main residence. The main address is considered to be the place where the child sleeps and spends most of their time from Monday to Friday.

We will not accept a temporary address if you still

possess a property that was previously used as a home address; nor will we accept a temporary address that is used solely or mainly to obtain a school place.

If you own a property, which is, or previously has been, used as a home address and you state that you are living at, and apply from a different address, we may consider the second address to be temporary. Therefore, we will use the address of the first property as the valid address for school admissions purposes.

If you move out of your home into temporary accommodation whilst it is being renovated, the home address will still be considered to be the child's permanent address. If you are renovating a property prior to moving in, we will not accept the new address until you have moved.

If you own or rent a property, and you buy or rent another property or live with family or friends temporarily, and state that this is your and your child's home address, we will not use the second address for school admissions purposes.

We will not accept a temporary address, a business address, a childminder's address or any address, including a family member's address, that is not your child's main residence. The main address is considered to be the place where the child sleeps and spends most of their time from Monday to Friday.

Children living at two addresses

Where parents live separately, the application should be made using the child's main home address.

The child's main home address is the address where the child lives for the majority of the school week (Monday to Friday) and sleeps for the majority of school nights.

Where a child spends an equal amount of time at both addresses, it is the responsibility of those with parental responsibility to agree which address should be used for the application. The application must be accompanied by a joint written declaration confirming the agreed address, together with copies of any relevant court orders.

If no joint declaration is provided where residence is shared equally, the local authority will determine the address to be used for admissions purposes. In doing so, all relevant evidence will be considered. Where the child's time is not shared equally between two addresses, the address where the child spends the majority of the school week will normally be used.

Applications from overseas

Applicants living overseas may only submit an application to Barnet if they have a linked address in the borough and documentary evidence can be supplied

to show they will return to the address prior to the September in the year of entry; this address must not be an address of convenience.

If parents/carers wish to discuss their circumstances prior to making their application, they should contact the Admissions Team.

Children of UK service personnel

Families of UK Armed Forces personnel with a confirmed posting or Crown servants returning from overseas to live in Barnet can apply for a school place ahead of a move. However, the application must be accompanied by an official letter that declares the relocation date and some evidence of the child's intended address.

Change of address

We can only accept a change of address after you have moved. We will not use an intended future address (this includes where renovations are taking place prior to a move).

If you change address, please notify us immediately and provide the evidence required (see Proof of address below). If you do not tell us about a move, or an intended move that has failed to take place, we may withdraw any school place that has been offered.

A change of address will only be taken into account if it takes place and is verified by **11 February 2027**. If we receive the required evidence by **11 February 2027**, we will be able to use the new address to measure your home to school distance. If this information is received after **11 February**, we will not be able to update your address until after **16 April 2027**. If a change of address takes place between the offer date and start of term in September, this must be communicated to the Admissions Team through the online form [Update my details - School Admissions \(barnet.gov.uk\)](https://barnet.gov.uk/update-my-details-school-admissions). This may result in the original offer being withdrawn, if the child no longer qualifies for the place offered based on the new address and the oversubscription criteria for the school. In this case, a new offer will be made.

Barnet Council reserves the right to reassess an application at any time should new information come to light. Each case will be considered on its own merits and the council will make a judgment as to whether the initial decision to offer a place was flawed based on the new information.

Proof of address*

In order for us to verify your address, you must provide your Council Tax reference number on your application (you can find this on your council tax bill).

You will also need to upload two proofs of address to support your application. Normally, this should include one document from Section A and one document from Section B, below. Where a Section A document is unavailable, two documents from Section B must be provided. All documents must be in the applicants name.

Section A

- Current Council Tax Statement
- Rent statement
- Mortgage account statement
- Tenancy agreement arranged through a letting/estate agent (must be stamped or on headed paper)

Section B

- Tenancy Deposit Protection Scheme coverage or other deposit protection as applies to the tenancy
- Recent utility bill e.g. Electricity, gas, phone (within last 3 months), water (annual statement)
- Universal credit / Tax credit documentation
- Child Benefit letter or other official government documents

If your address has changed in the last two years, we may ask you for further proof that your current address is your permanent home address. **If you move address after 15 January 2027** the type of additional evidence you will need to provide will vary depending on your circumstances.

If you have sold one property and purchased another, we will need to see all of the following:

- evidence of completion on the property sold
- evidence of completion on the property purchased
- closing utility account for the property sold
- the Council Tax reference number for the property purchased
- a utility bill for the property purchased.

If you have moved from one rented property to another, we will need to see all of the following:

- copy of termination of tenancy agreement on the previous property
- closing utility account for the previous property
- copy of tenancy agreement on the current property
- proof of payment of rent to the landlord on a regular basis
- the Council Tax reference number for the current property
- two utility bills for the current property
- if you are not liable for Council Tax or utilities you will need to provide official evidence that you are resident at that address (for example, driving license,

* We reserve the right to request confirmation of any address if we feel it is appropriate. We will also refer to any publicly available information, such as the electoral roll, where this is relevant

child's medical card or child benefit letter).

If this information cannot be provided, we won't be able to accept the new address and will continue to use the original address provided.

Address checking and verification

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks may be made using council systems, agencies, fraud departments, other education settings, or other resources available to us. Applicants may also be asked to provide additional evidence to support their application.

In most cases, it is the home local authority to determine if, on the balance of probability, the address given on an application is a child's normal place of residence, or is considered to be an address of convenience. Some examples of circumstances which may fall under this definition are as follows:

- using the address of a relative, friend, childminder or business
- using the address of a parent with whom the child spends the majority of the week
- use of a rented or second owned property address on a temporary basis which gains advantage in the admissions process whilst still continuing to own or rent an alternative property
- use of a local address whilst the child lives overseas

In making a decision, the following factors will be taken into account alongside any evidence seen during the address checking process:

- the preference schools and if they are oversubscribed
- if the address being used gains an advantage in the admissions process
- the distance of the properties to the preference schools
- the length of time the arrangement has been in place
- current education providers and services working with the family
- any state benefits in payment

If an address of convenience is found to have been used, the local authority will determine the address to be used based on the evidence found in their investigations.

If a fraudulent address or address of convenience is found to have been used after the allocation of places, any offer made will also be withdrawn, and this may be the case even if the child has started the school.

We may also carry out additional checks with the new school to see whether the child's home address has changed since the application and will

investigate applications where:

- there are any doubts about the information originally provided
- information has been received from a member of the public to suggest that misleading information has been provided and a fraudulent application made
- the Council Tax is in a different name than the applicant's.

False or misleading information

It is important that the admissions system is fair for everybody. Nobody should be allowed to cheat by using a friend or relative's address or by temporarily renting a property near to a popular school. Each year a small number of parents try to get a school place by providing false information, which could result in them taking a place that should have gone to another child.

Please realise that:

Providing false information to secure a school place is a criminal offence. Any applications suspected of being fraudulent will be referred to the London Borough of Barnet's Corporate Anti-Fraud Team (CAFT) for investigation. If your application is proven to be fraudulent you may be prosecuted in addition to the school place being withdrawn.

Regretfully, a Barnet parent has recently been convicted for providing false information, which has resulted in a criminal record, a suspended prison sentence, loss of employment, financial penalties and unpaid community work.

All information submitted to Barnet Council can be used in proactive data matching exercises to assist in the prevention and detection of fraud.

If you know someone who intends to use, or has used, a false address to obtain a school place, you can report this confidentially to CAFT:

Fraud hotline: **020 8359 2007**

Email: **CAFT@barnet.gov.uk**

Online: **www.barnet.gov.uk/anti-fraud**

School preferences

Please remember that:

- you may list up to six schools in the order you prefer them with your most preferred school as number one
- you can include schools within or outside Barnet
- you should check the admissions criteria for each of your preferred schools to assess your child's chances of receiving an offer
- the preference order is very important, think carefully about this as only one offer can be made
- all your school preferences will be considered

equally and your child will be ranked in accordance with each school's published admissions criteria

- if your child is eligible for more than one school offer, we will offer you a place at the school ranked highest on your application and withdraw all lower school preferences
- your selected schools will not be able to see the order in which you have ranked them on your application form; your child's eligibility for a place at oversubscribed schools will be determined solely by the individual school's published admissions criteria
- although there is no guarantee of an offer from any school, it is a good idea to include the community school in the priority area where you live as one of your school preferences; a map of each school's priority area can be viewed at www.barnet.gov.uk/primary-school-admissions

Changing your preferences

Please note if you want to make changes to your list of schools:

- you can change the preferences at any time up until 15 January 2027, by returning to the online eAdmissions website, editing and re-submitting your application
- you cannot change your preferences after 15 January 2027, unless there is an exceptional reason, in which case you must send us written notification and supporting evidence for consideration, by 11 February 2027
- any changes requested after 11 February 2027 will not be taken into account until after 16 April 2027, National Offer day, even if there is good reason.

'Looked after' children and 'previously looked after' children

'Looked after' children and 'previously looked after' children are given the highest priority for a school place and are defined as:

- children in the care of a local authority, i.e. fostered or living in a children's home
- children who have left care through adoption, a child arrangements order or a special guardianship including those children who directly appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. The evidence should show that the child was looked after immediately prior to adoption, child arrangement or special guardianship order.

Important – please see Keywords on page 105 for definitions of 'looked after' children and previously 'looked after' children. If you are a foster carer looking

after a child in care, you must provide a letter from the child's social worker confirming the child's status as a 'looked after' child. If you have adopted a child you must provide the Certificate of Adoption as well as evidence that the child was 'looked after' immediately prior to the date of adoption.

Children with special educational needs

Your preferred school will be consulted separately about its ability to meet your child's particular needs. Following the consultation, the finalised Education, Health and Care Plan will name the school that your child will be expected to attend.

Please complete the **Phase Transfer school preference form**.

The school preference form window for submissions will be open from 9am Monday 21 September 2026 until 5pm Friday 23 October 2026.

Exceptional circumstances

All Barnet schools have experience in dealing with children with diverse social and medical needs. However, there may be exceptional cases where a particular school may be able to meet a child's need in a way that no other school can.

Please note that not all primary schools give priority on social / medical grounds. Therefore, you should check the oversubscription criteria for your preferred school and only attach supporting evidence if this category is listed.

If you are applying for a priority place on exceptional grounds:

If you are applying for a **community school** and wish to be considered under the exceptional medical or social circumstances criterion, you must complete the Exceptional Medical/Social Circumstances Form, available at <https://myforms.barnet.gov.uk/xfp/form/93>

The completed form and all supporting evidence must be submitted with your application, or by the published closing date, to be considered as part of the on-time admissions process.

If you are applying for a school that is not a **community school**, you should check the school's admission arrangements to confirm whether a medical or social criterion applies and what information is required.

Supporting evidence submitted to the local authority will be passed to the relevant admission authority for any schools where such information is required.

Supporting evidence should be provided by a suitable professional, such as a doctor, consultant, social

worker or other relevant practitioner who knows the child and family's circumstances.

The evidence must explain:

- the child's medical or social need;
- why the particular school is the most suitable school for the child; and
- the difficulties that would be experienced if the child attended an alternative school.

The Admissions Team is not responsible for obtaining evidence on your behalf or contacting professionals for additional information.

Evidence relating to a medical or social circumstance will only be considered where it demonstrates why the child needs to attend a specific school.

The following circumstances are unlikely, on their own, to qualify as exceptional medical or social reasons:

- speech and language delay
- waiting for an Education, Health and Care Plan (EHCP)
- asthma, diabetes, eczema or allergies
- car travel sickness issue
- the need for a child to remain with friendship groups
- family members attending the same school
- attendance at a nursery attached to the school
- childcare arrangements
- short-term mobility issues

If you believe your circumstances should be considered despite falling within one of the examples above, you will need to provide evidence demonstrating why only the preferred school can meet your child's needs.

All decisions regarding exceptional medical or social applications will be made by the admission authority in accordance with the published admission arrangements.

Late applications

Applications received after 15 January will be treated as late. Late applications will not be considered for the first round of offers on 16 April 2027. This means that late applicants are unlikely to be offered one of their preferred schools.

If there are exceptional reasons why your application is late; for example serious illness of a close relative, or you moved to the area after the closing date, you must submit a 'Reason for Late Application Form' at

www.barnet.gov.uk/schooladmissions by **11 February 2027** at the latest.

The deadline for receipt of late applications to be considered for the second round is **30 April 2027**.

Data protection and sharing information

We need to collect and share information in order to deliver our services effectively. We take our responsibility to protect your data seriously and we will use it in accordance with the legal requirements of the Data Protection Act 2018 and The General Data Protection Regulation (GDPR). For the purpose of processing your application for a school place we may share information you provide to deal with your requests, administer departmental functions and meet our statutory obligations. This may include sharing your information with schools, other local authorities, children's services and London Grid for Learning (LGfL) an organisation that process data on our behalf.

If you want to know more about how your information is used visit www.barnet.gov.uk/privacy

How places will be allocated

When all the on-time applications have been submitted, the allocation process will begin:

- we will let other local authorities know about any preferences you have made for schools in their area
- we will also let any voluntary aided schools, foundation schools, free schools and academies in Barnet have details about your child if you have included any of these schools in your list of preferences
- the order in which you have ranked your school preferences will not be passed on to individual schools
- all your preference schools will be considered equally and the highest eligible oversubscription criterion will be applied for each school
- the common criteria for Barnet community primary schools is shown on "Admission criteria for community primary schools in Barnet" on page 22
- the oversubscription criteria for our voluntary aided schools, foundation schools, free schools and academies are shown on the individual school pages.

When all the applications have been considered:

- we will co-ordinate all the offers and exchange

information with other local authorities

- if your child can be offered more than one school, we will offer the school you have ranked the highest
- lower preferences are automatically withdrawn at this stage
- all withdrawn preferences will be offered on to other children
- no child will be offered more than one place
- if we are unable to offer a place at any of the schools you have chosen we will, if possible, allocate your child a place at an alternative school.
- ranked lists will be drawn up for all schools.

Withdrawal of offers

Places offered at oversubscribed schools will be withdrawn if:

- the offer was made in error
- the offer was made on the basis of fraudulent or intentionally misleading information
- the offer was made on the basis of information that cannot be verified to the satisfaction of the Admissions Team or later proves to be inaccurate
- the applicant has not responded within a reasonable period of time.
- your offer will be re-assessed if your child has moved after the offer was made and before the start of the academic year; in this case the offer may be withdrawn.

If your child's place is withdrawn you have the right of appeal against this decision.

National Offer Day – 16 April 2027

- you will receive an email with the outcome of your application during the evening of **16 April 2027**
- if you have registered for text messaging you will also get a message to inform you that the outcome of your application is available to view online
- you should wait until you receive your email and click on the 'Reply' button at the bottom of the email to log into your account and accept or decline your offer
- if you forget your login details you need to go to the login page and select 'Forgotten your username or password'
- all applicants who are not offered a place at their

first preference school will be informed what happens next

- please accept the school place you have been offered by **30 April 2027**; log into your eAdmissions account, go to your Home Page and select 'View outcome and respond'
- please remember to 'submit' your response otherwise we will not receive it.

If you are not accepting the offer you must tell us why, for example if:

- your child has been offered a place at an independent school
- you are moving out of the area.

Please select the appropriate option on the response page and provide details e.g. the name of the independent school or your prospective address. It is important that you inform us so that we can offer the place to another child.

What happens if you have not been offered your preferred school?

Waiting lists

- if your child does not get a place at any of your preferred Barnet schools, they will automatically remain on the school's waiting list
- your child will remain on the waiting list for any Barnet school listed higher on the application form than the school we have offered unless you tell us otherwise
- all lower preferences will have been withdrawn so if you want to reinstate your application for a school you originally ranked lower than the one you have been offered, you will need to complete and submit the online 'Change of school Preference Form' (URL: <https://myforms.barnet.gov.uk/xfp/form/91>). You will also need to re-rank the order of your preferences.
- you can also apply for a place at a school that you did not list on your application form
- waiting lists are ordered in accordance with the admissions criteria
- time spent on a waiting list is not taken into account and it is possible that your child's waiting list position will go down as well as up.

Please note: Please check the individual school's website for further information on waiting lists and

closure dates.

Appeals

If your child is not offered a place at any of the schools ranked higher on the application form than the one you have been offered, you have the right of appeal:

- appeals are heard by an independent panel and normally take place in July
- decisions made by the appeals panel are binding on the admission authority for the school.

Will my appeal be successful?

- almost all Reception class appeals are unsuccessful
- this is because it is against the law for children to be taught in infant classes of more than 30 unless there is more than one teacher present
- the grounds on which an appeal can be upheld are very limited.

Appeal panels are only able to allow appeals for infant classes where they are satisfied that either:

- the admission authority for the school has made a mistake when applying the school's admission arrangements, or
- the decision not to offer a place was unreasonable in the circumstances of the case.

Understandably many parents think that the decision not to offer their child a place was unreasonable and will present a case to support this argument.

However, the legal definition of an 'unreasonable decision' is a 'decision which was beyond the range of responses open to a reasonable decision maker' or a 'decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who applied their mind to the question could

have arrived at it'. If you understand the above but still wish to go ahead:

- for Barnet community schools you can submit an appeal online at <https://www.barnet.gov.uk/schools-and-education/school-admissions/school-admission-appeals>
- for voluntary aided schools, foundation schools, free schools and academies you will need to check on the individual school's website for further information
- you can only have one appeal for each school in the same academic year unless there are significant changes in your circumstances
- further information about the appeals procedure will be included with your notification on **16 April 2027**.
- the deadline for lodging appeals for community schools is **30 June 2027**.

After 16 April 2027

Offers

- some parents may decide not to accept the school place offered to their child
- when a place becomes available it will be offered to the next child on the waiting list
- a second round of offers will be made from **10 - 14 May 2027**
- if it is still not possible to offer your child a place at one of your preferred schools and you do not wish to accept a place at the school that has been allocated, **you will become responsible for arranging suitable education for your child.**

Barnet Schools

Barnet has 92 primary schools and 3 all-through schools

All-through schools comprise both primary and secondary education phases where children are educated from age 3 or 4 right through to age 18. All of Barnet's all-through schools are academies.

Community schools (37)

Community schools are owned and funded by Barnet Council. The admissions criteria are set and applied by the local authority.

Foundation schools (1)

Foundation schools are owned by the governing bodies of the schools but funded by Barnet Council. The school governors set and apply their own admissions criteria.

Voluntary aided schools (36)

Voluntary aided schools are owned by religious or voluntary bodies but funded by Barnet Council. The school governors set and apply their own admissions criteria.

Academies (16)

Academies are independent schools but no fees are charged and they are funded by the government. The governors set and apply their own admissions criteria.

Free schools (5)

Free schools are set up in response to what local people say they want and need in order to improve education for children in their community.

No fees are charged and they are funded by the government. The governors set and apply their own admission arrangements.

Please note

Although the information relating to Barnet schools was correct at 31 August 2026, it should not be assumed that there will be no change before the start of, or during, the school year 2026/27 or for subsequent school years.

Admission criteria for community primary schools in Barnet

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'Looked after' children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after' including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. (see Note 1)
2. Children whom the Director of School Access and Skills accepts have an exceptional medical, or social need that the school is particularly able to meet (see Note 2)
3. Children who, at the time of admission, have a sibling (brother or sister) living at the same address who already attends the school, or the linked school in the case of separate infant and junior schools. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.
4. Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and will be in employment as a teacher at the school when the child starts school
5. Children living within the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line (see Note 3)
6. Children living outside the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line (see Note 3)

Note 1 - A 'looked after' child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989.

Note 2 - Applications made under this criterion must be supported by a current letter from a doctor, social worker or other appropriate professional. The letter must name the school and specify the reasons why the particular school is most suitable for the child and the difficulties that would be faced if the child attends an alternative school.

Note 3 - A map showing a school's defined area may be viewed online at www.barnet.gov.uk/admissions. Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate (unless specified otherwise) using the Council's computerised geographical information system.

Tie Breaker – distance will be used as a tie-breaker within each category.

Final Tie Breaker – applicants from the same block of flats, or applicants who live the same distance from the school, will be selected in random order using Barnet's computerised system and places will be offered accordingly.

Applications made on behalf of twins or triplets – if only one place is available at the school and the next child who qualifies for a place is one of multiple birth siblings, we will ask community schools to go over their published admission number to support the family. These children will be deemed as 'excepted' pupils under infant class size legislation.

A summary of the admission criteria for each of Barnet's voluntary aided schools, free schools, foundation schools and academies can be found on the individual school pages.

Community schools

A map of each community school's priority area can be viewed at the school, or at www.barnet.gov.uk/schools-and-education/school-admissions/apply-primary-school/primary-school-priority-maps

Living in a priority area does not guarantee a school place. We use the Synergy Admissions and Transfers system to calculate the distance from your child's home (the start point) to the school (the end point).

The system calculates the distance in miles to three decimal places. The routing database uses two dimensional maps. This means it does not take into account any contours or terrains.

The start point (applicant's home)

For calculation purposes, the local authority uses the AddressBase database supplied by Ordnance Survey to determine the start point from the applicant's address. This provides a national grid co-ordinate and a unique property reference number (UPRN) for each property in Great Britain.

The grid reference is provided to a resolution of 1 metre (100cm). Calculations are based on the assumption that the child's home address is classified at the point of application as a residential address.

If you live in a block of flats where you use a communal entrance, the local authority will use the UPRN for the block and not the centroid of your individual flat for the distance calculation.

The end point (school)

Unless otherwise stated, the main gate to the school is used as the end point for calculation purposes.

Please note that you cannot compare distances produced on the local authority's Synergy system to those calculated using any online geographical information system software you may have access to, such as satellite navigation systems or Google maps.

At Courtland, we work hard as a team to encourage every child to be happy and successful during this important stage of their learning. We believe that all children and adults have an important contribution to make to the life of our school. Our mission statement, 'Everybody Can Be Somebody', reflects our school's friendly atmosphere and open management where everyone is valued and all views are welcome.

Our curriculum has been designed to ensure that pupils' learning is at the centre. It is broad, balanced and

offers pupils opportunities to grow as individuals and learners. It has been carefully designed to ensure coverage and progression. Through a combination of learning techniques, we aim to ensure pupils develop as independent, confident and successful learners, with high aspirations, who know how to make a positive contribution to their communities. We place great emphasis on nurturing kind, respectful and caring members of society. We believe the partnership between home and school is paramount in achieving high standards and success.

About our school

At Foulds we create an environment that challenges our children to be resilient risk takers who are well rounded, independent and reflective. We want our children to leave Foulds principled and part of a community.

Our curriculum is driven by our 4Cs: 'Character', 'Curiosity', 'Challenge' and 'Citizenship' so that our children grow, explore, achieve and contribute. Learning is active and engaging; the children learn from each other, sharing their experiences and thoughts from the moment they start in Reception. Learning to actively listen and care

for one another, Foulds children work through learning that intentionally challenges them to think and learn new skills, as well as applying skills already learnt in new situations.

As a school we offer a wide range of extracurricular activities from sports, to choir, to Lego club, ensuring our children have as many opportunities as possible to be well rounded individuals. By the time the children leave us, we want them to love the process of learning and always continue to strive to become the best possible version of themselves.

We offer a broad and balanced curriculum using central themes as the basis for our planning taught through cross-curricular group activities.

Equal emphasis is placed on the learning that takes place in both the indoor and outdoor environments.

We foster creativity in the children through a strong emphasis on the creative arts, and we incorporate healthy eating and physical exercise into the work that we do.

Our child-centred approach recognises

the fact that children learn best by being able to link their learning to their own experiences, by taking part in very practical activities and learning and developing skills through play.

Individualised learning can be seen in targeted activities and work that is differentiated to address the different needs and abilities of the children.

We promote a “have-a-go” culture where children are challenged and encouraged to learn from their mistakes, to question and to persevere with their learning.

Whitings Hill is a modern, attractive school set on substantial grounds with its own swimming pool and easy access to open spaces.

At Whitings Hill, we aim to instil in the children a love of learning and a thirst for knowledge; we ensure that our children have the opportunities to achieve success and develop into confident, resilient adults.

We do this through a wide-ranging and well-planned curriculum that appeals to the children's interests and we adapt our teaching to make lessons fully inclusive.

We want our children to be curious about the world around them and to experience a sense of awe at its beauty and majesty while at the same time being aware of their responsibilities as global citizens.

About our school

Woodcroft is a successful, well-equipped and inclusive school that proudly serves the needs of its pupils and the local community.

Our ethos, Together Towards Success, exemplifies everything that we strive to accomplish; high academic standards, the provision of an extensive range of family services and a wide variety of extracurricular activities. Ofsted commented: "Aspirational programmes of study inspire pupils to do their very best...pupils are extremely proud to belong to the school."

Our aim is to extend and enrich the primary curriculum by offering excellent opportunities for sport and a commitment to the arts. We have gained numerous awards that include the Artsmark, Music Mark, School Games Award and TfL Gold. The Woodcroft Dance Team are national champions.

Uniquely, we also offer pupils the opportunity to complete the Arts Council's Bronze Arts Award qualification in Year 6. This is certified by Trinity College London who have accredited Woodcroft as one of their Champion Centres.

About our school

Akiva is a two-form entry Voluntary-Aided state primary school. We are situated in the expansive grounds of the Sternberg Centre for Judaism in Finchley. Akiva has a strong sense of community, the pupils are incredibly proud of their school and we have an active and supportive parent and Governing Body.

Akiva is the only Progressive (Reform or Liberal) Jewish school in the UK. Akiva is proud of its Progressive Jewish ethos which is a fundamental and integral part of the fabric of the school. We model a Judaism that is egalitarian, reflective and creative, and which permeates all aspects of our lives. We express this through joyful song, thoughtful discussion and exploring difficult questions. We celebrate and engage with the racial and cultural diversity of the Akiva community and of the Jewish community worldwide.

Oversubscription criteria (summary)

contact school for full criteria

If there are more applications than places available in any school year, the Governing Body of Akiva School acting by its Admissions Committee will allocate places using the following order of priority:

1. children who are “looked after” by a local authority
2. siblings
3. children of members of staff employed by the school to work at the school who either:
 - a. are or were within two years before the date of application recruited to fill a vacant post for which there is a demonstrable skill shortage, or
 - b. have been employed by the school for a continuous period of at least two years and who in the two years immediately before the date of application have worked for no less than 0.4 full time equivalent
4. priority applicants who can show Shabbat attendance on 15 separate Shabbatot in the six months between 1st May 2023 and 31st October 2023 at any Reform or Liberal synagogue or New North London Synagogue.

Admission limit	60
Age range	4-11
Breakfast club	Yes
After-school club	Yes
Nursery class	No

5. Applicants who can show such attendance (as outlined in point 4) on at least 7 separate Shabbatot or the child's continuous attendance for at least two terms ending on 31st December 2023 at a nursery run by or under the auspices of any Reform or Liberal synagogue or New North London Synagogue.

6. all other applicants.

Where there are more applicants within any category than places, places will be allocated to children who live closest to the Sternberg Centre site, East End Road entrance, measured in a straight line from the front door of the child's permanent home address as notified to the school before the date of allocation of places by the Admissions Committee, using the London Borough of Barnet's computerised measuring system (the Distance Tie-Break.);

Where a child regularly lives with one parent for part of a week and with the other parent for the rest of the week, the permanent address for Distance Tie-Break purposes will be the address at which the child lives for the greater part of the school week

Where the Distance Tie-Break does not produce a clear outcome (i.e. two children live precisely the same distance from the school), the place will be determined by random allocation supervised by a person independent of the school.

Where the operation of the oversubscription criteria and the Distance Tie-Break would not lead to all multiple birth siblings being offered a place all those sibling(s) will nevertheless be offered a place

About our school

We are a one-form entry Church of England Primary School, founded to provide a broad and balanced education for the families from a wide variety of faiths, cultures and beliefs in our local community. We seek to offer an education underpinned by Christian values that provides our children with the opportunity to be the best they can be today, and be prepared for tomorrow. We are proud of our multicultural school and celebrate the rich diversity that is brought together by a shared goal of providing the best education we can for the children in our care.

'The children give many examples of how learning about their own faith and the faiths of others has deepened their knowledge and understanding of each other. The impact being that they know how this relates to the school's Christian values, themselves and their peers and this encapsulates the school's motto, 'Learning with Faith'.' SIAMS 2017

'Spiritual, moral, social and cultural development is promoted well. Pupils develop a good knowledge of British and Christian values through their work in class, assemblies and the broader curriculum. As a result, pupils are polite and respectful and keen to be helpful. Pupils' good behaviour and positive outcomes prepare them well for the next stage of education and later life.' OFSTED Good 2019

About our school

Inspired by Christ – Reaching out to all – Being the best that we can be

We are an inclusive one-form entry Church of England Primary and Nursery School that nurtures each individual child.

July 2023 SIAMS inspection findings:

‘The school’s curriculum, shaped by the Christian vision, provides rich and deep learning opportunities. This enables all pupils, whatever their background or abilities, to flourish in their learning.’

‘Good mental health and wellbeing are hallmarks of the school and valued by all. Outdoor learning, physical education and activities to support mental health and wellbeing are key strands to the aspirational curriculum.’

The broad range of learning opportunities offered includes project weeks, where all children apply their skills and see how they can make a difference to the world as change-makers. All our children are challenged to become curious, confident and articulate learners. The Christian ethos of the school is strong and alive in all we do.

All Saints’ has a history of high attainment and successful Ofsted inspections (most recently, May 2024).

Children are happy at All Saints’ Church of England School.

Oversubscription criteria (summary)

contact school for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

- a. Looked after and formerly looked after children including internationally adopted, previously looked after children.
- b. Children whom the Board of Governors accepts have an exceptional medical or social need which the school is particularly able to meet. NB. Applications in this category will only be considered if they demonstrate that there is a specific connection between the child’s needs and All Saints’ School and that difficulties would be caused if the child had to attend another school.
- c. Children whose sibling(s) attend(s) the school at the closing date for applications.
- d. Children living within 2 kilometres or 1.243 miles of the school (as defined in Section 6 - Tie-Break, below) with a parent who is a committed member of All Saints’ Church. To be considered a committed member of All Saints’ Church, parents need to attend an act of worship in Church at least twice a month during the period of 12 months immediately prior to the closing date for applications, as recorded in the Church’s attendance record (a minimum of 20 recorded instances of attendance). The onus is on prospective parents to ensure that their attendance at the Church is recorded in the parish’s register of attendance at the end of the service. Parents who have moved into the area within this 12-month period will qualify if they can provide a letter from a minister confirming attendance at another Church covering the balance of the 12 months. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. In these circumstances, the number of attendances required to meet this criterion will be calculated on a proportional basis.
- e. Children of staff who have been working at All Saints’ for more than 2 years at the time of application.
- f. Children living within the parish of All Saints’ Church, N20.
- g. Children living outside the parish of All Saints’ Church, N20.

About our school

Alma Primary is an inclusive, state primary school, which welcomes children from across the Jewish community, as well as children from other faiths and none. Our small, one-form entry school aims to provide outstanding and stimulating educational opportunities for all children, including high quality Jewish learning. We nurture each child, ensuring they are given sufficient challenge and support to make the most of their learning opportunities.

Oversubscription criteria (summary)

The allocation of places will be split between Open places and Faith places.

Open places are allocated to children whose parents choose the school regardless of their faith. Parents applying for an Open place do so knowing that the school aims to provide a Jewish education and, therefore, the governing body expects that all pupils will take part in the Jewish aspects of the school's curriculum.

Faith places will be allocated to children of families who can demonstrate practice of an aspect of Judaism.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. looked After Children (LAC) and Previously Looked After Children (PLAC) , including Internationally Adopted Previously Looked After Children (IAPLAC)
2. children whose social or medical needs are needs that the school can reasonably meet and which are such that they cannot be met sufficiently at any other school

Admission limit	30
Age range	4-11
Breakfast club	Yes
After-school club	Yes
Nursery class	No

3. pupils whose siblings* have accepted a place or currently attend the school

4. children of members of staff.

Once places have been allocated to children under the criteria above, the remaining places will be divided equally between 'Open places' and 'Faith places'.

- a. 50% of the remaining places will be offered to the children living nearest to the front door of the school's site in Whetstone, of which one will be allocated to a child in receipt of Early Years Pupil Premium.
- b. the remaining 50% of places will be allocated to children through random allocation, open to children whose families fulfil the criteria for a faith place, as evidenced through the school's SIF. The random allocation will be carried out by an independent authority, agreed by the Children's Committee of the governing body.

* siblings are defined as including half, step, adoptive and foster siblings and twin or multiple births provided they live at the same address as the applicant, but not other children who also live at the same address who do not fall into one of these categories.

About our school

The Ashmole Trust opened Ashmole Primary School in September 2016, operating open, fair and transparent practices and policies and welcoming children from all backgrounds. Initially opening with two classes of 30 in the Reception year 2016, the school has grown to its full capacity of 420 pupils in 2022. Children born between 1 September 2022 and 31 August 2023 will be admitted without reference to ability.

The published admission number is 60 places in Reception in September 2027. The school will admit up to this number each year to the Reception year and when full the school will have 420 pupils on roll. Where there are fewer applicants than places available all applicants will be admitted.

Ashmole Primary School will provide:

- outstanding standards of educational achievement
- excellence in educational and behavioural standards
- a well-balanced curriculum that develops the enquiring minds and talents of all pupils
- innovative and creative approaches to primary education especially taking advantage of the links with Ashmole Academy
- a special emphasis on teaching English, Mathematics and Science, but also Spanish, Music and PE
- a safe and stimulating environment.

Where more applications are received than there are places available, the available places will be allocated in the following order of priority:

1. looked after and previously looked after children will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer receiving higher priority

A "looked after child" is a child who is in the care of the local authority, or is being provided with accommodation by a local authority in the exercise of its social services functions at the time of application. A "previously looked after child" is a child who was in public care, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately after being in public care as well as those children who appear (to the Governing Committee) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2. children who will have a sibling at Ashmole Primary School at the date of application will be allocated places under this category by reference to the proximity of the child's home address to the

School, with those living nearer receiving higher priority

A "sibling" will include a full, half, step, adopted and foster brother or sister, as well as a child of a parent's partner with whom he or she has been cohabiting for a period of at least one year at the application deadline, and in all cases the sibling must be living at the child's home address and being brought up within the same core family unit as a sibling to the applicant child. For the avoidance of doubt, a child of a friend or extended family member (for example, a cousin) living at the same address as the applicant child will not be a "sibling".

3. children with a parent who has been employed by Ashmole Trust, excluding employees on a casual contract, for a period of at least two years at the application deadline, whether based at Ashmole Primary School or the Trust's secondary academy, Ashmole Academy, or who were recruited to fill a vacant post for which there was a demonstrable skill shortage, will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer receiving higher priority
4. children who do not fall into any of the categories above will be allocated places under this category by reference to the proximity of the child's home address (as defined by this policy) to the School, with those living nearer receiving higher priority.

The child's home address will be the address at which the child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, the home address will be determined to be the address at which the child is registered with the doctor, however, all evidence will be taken into account and each application will be assessed on a case by case basis. No other address (including a business address) will be accepted.

The distance between the child's home address (as defined by this policy) and the School will be measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.

About our school

Barnet Hill Academy is the only Islamic Faith School in the London Borough of Barnet and one of only a small number of Islamic Voluntary Aided schools in England.

At Barnet Hill Academy, we are dedicated to providing an education that is rooted in the rich traditions of Islamic values while promoting academic excellence. Our vision is to foster an environment where every child can thrive, learning not just about the world around them, but also about the strength of character and the virtues of patience, gratitude and diligence. Our curriculum is carefully crafted to balance secular knowledge with Islamic education, ensuring our students are well-prepared to become thoughtful, well-rounded members of society.

We believe in the power of education to transform lives and uphold the values of Faith – *Iman*, Excellence – *Ihsan*, and Knowledge – *Ilm* in everything we do. Barnet Hill Academy is more than just a school; it is a family, where every child is valued and every voice is heard. Our commitment to inclusivity means that we celebrate diversity and strive to instil mutual respect among all members of our community.

We warmly invite you to visit us and see first-hand the inspiring learning environment we offer. Whether you are a current or prospective parent, or a member of the wider community, your engagement with our school is always welcome.

Beis Yaakov Primary School was established to serve the Orthodox Jewish (Charedi) Community of North West London and to provide education for the daughters of parents who all observe Orthodox Jewish (Charedi) practice, defined as ethos, lifestyle and daily practice that are governed by an unequivocal and lifelong commitment to Torah study and Mitzvos observance, and the central tenets of Yiras Shomayim, Emunas Chachomim, Middos Tovos and Tzenius in dress, speech and behaviour.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. girls who/whose family observe Orthodox Jewish (Charedi) practice and are ‘looked after’ (in public care) or were previously ‘looked after’
2. girls who/whose family observe Orthodox Jewish (Charedi) practice with sisters in the school at the time of admission
3. other girls who/whose family observe Orthodox Jewish (Charedi) practice
4. other ‘looked after’ or previously ‘looked after’ girls
5. other girls.

In the event of there being insufficient places for all applicants within any of the above criteria, a random ballot will be used to determine which children will be admitted under the criterion in question, in the presence of an independent observer.

About our school

Childs Hill Primary has been a national leader in restorative approaches to behaviour management and school leadership for almost 10 years. The school has received recognition from the RJC (Restorative Justice Council) for its work and regularly hosts visits from British and international colleagues. Dedication to a community wide relationships policy has guided the school's work and shaped outcomes for pupils, parents and staff. As a result Childs Hill is a well respected school that ensures progress for all within a truly inclusive learning community.

Childs Hill joined the Elliot Foundation in 2020, federating with Claremont Primary at the same time. A strong partnership between two local schools has since developed, opening up many new and exciting opportunities. Childs Hill is a popular, vibrant and welcoming school. It is proud of its innovative curriculum offer, which is as easy as ABC! Every child is supported in developing their Academic Me, Being Me and Curious Me, including the pupils who attend the school's specialist ARP (Additional Resource Provision for autism). The ARP is known as Pathways and has recently been expanded to a second site within our federation partnership school Claremont.

Our federation aims to achieve a clear and simple goal. We teach all of our children to value their learning, to be proud of themselves and to empathise with others. We ensure they see the worth and transformative power of creativity. We invest in their future now.

About our school

We are an inclusive and nurturing one form entry Church of England Primary and Nursery School. Within our community and together with our families, we pursue excellence in every aspect of school life. We place every child at the centre of their education, nurture each individual and enable them to build resilience to become creative, critical thinkers with a thirst for knowledge and a desire to learn.

We are situated in a beautiful setting, surrounded by fields, and we make the most of every learning opportunity this affords. Our children are happy, confident and aspirational. They look forward to every day of the school year; flourishing in our caring and safe environment.

Our curriculum offers a high quality, broad and balanced education, preparing our children for the challenges of an ever changing world and they are well equipped with the skills they require to become life-long learners.

"The school is a welcoming, highly inclusive place. All are accepted, valued and loved for their part in the school family. Difference is firmly embraced, seen as a blessing." SIAMS 2023

If there are more applications than there are places, places will be allocated according to the following criteria, which are stated in order of priority:

1. All 'Looked after children' and children who were previously 'looked after'. (see note 1).
2. Children whom the Governors accept have an exceptional medical or social need which the School is particularly able to meet. Applications in this category will only be considered if information is provided to the Governors with the application which demonstrates that there is a specific connection between the child's needs and the School which cannot be met by the child attending another school. The Governors' decision in this regard shall be at their full discretion.
3. Siblings of children attending the School. (see note 2)
4. Children of staff employed by the School provided the parent or carer has been so employed for at least two years at the time the application is made.
5. Any remaining places will be allocated equally between the Foundation and the Community, save that where an odd number of places remain to be allocated an additional place will be allocated to the Foundation. The Foundation and the

Community are defined as follows:

1. the Foundation means in order of priority:
 1. children whose parent or carer is a faithful and regular worshipper (see note 3) at Christ Church, Barnet; and
 2. children whose parent or carer is a faithful and regular worshipper (see note 3) of any other Trinitarian Church (see note 4).
2. the Community means all other children.

In the event of over subscription in any of these criteria, priority in that criterion will be given to applicants in order of nearness to the School (measured in accordance with note 5), with the nearest having priority.

Note 1: 'Looked after' Children

'Looked after' are children in the care of local authorities as defined by section 22 of the Children's Act 1989. Previously 'looked after' children are children who were 'looked after' immediately prior to being adopted or becoming subject to a residence order or special guardianship order. Children who are under an agreed series of short-term placements (such as respite) are excluded. Applications in this criterion will only be considered if they are supported by a written statement from the relevant local authority confirming the child's status.

Note 2: Siblings.

Siblings are brothers or sisters, half-brothers or -sisters, step-brothers or -sisters, or foster or adopted brothers or sisters who share the same home. The applicant's sibling must both attend the main School (ie not the Nursery) at the time of the application and be expected to be at the main School at the time the applicant would be admitted. Where parents are living together in a long-term relationship, their children will be considered as siblings.

Note 3: Faithful and Regular Worshippers

A 'faithful and regular worshipper' means that at least one parent or carer (or their spouse or partner) has worshipped at the relevant church at least twice monthly for a period of at least one year prior to the closing date for admissions. Applicants for Foundation Places must send to the Head Teacher of the School at the same time of the application a supplementary information form (which can be obtained from the School office or website) signed by the priest or minister of the relevant church (or exceptionally by a senior church leader). Where a parent or carer has changed churches during the year, a signed form must be submitted for both churches. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Note 4: Trinitarian Churches

In this policy, Trinitarian Churches are churches which are either members of the Evangelical Alliance or of the Fellowship of Independent Evangelical churches or are affiliated to Churches Together in England. Full details can be found on these organisations' websites, www.eauk.org, www.fiec.org.uk and www.cte.org.uk.

About our school

“Leaders have created a welcoming environment at this school. Relationships between adults and pupils are positive and respectful. Pupils are treated as individuals and feel safe and nurtured. They are happy and enjoy learning the interesting curriculum that leaders have planned” (Ofsted, 2023).

Our aims:

- to provide a happy, safe and caring environment in which everyone can achieve their full potential
- to promote high standards of achievement both in work and in behaviour
- to deliver the National Curriculum in an exciting and challenging way
- to enrich the curriculum with extra-curricular activities, visits and school journeys
- to encourage each child to develop self-esteem and, in doing so, learn to respect others.

Deansbrook Junior School continues to consistently achieve outstanding outcomes in national statutory assessments, including KS2 SATs, helping students to be ready for the transition to secondary school.

We have developed an engaging, academic curriculum which meets the needs of our students, equips them with the skills and knowledge needed to be successful in a changing society and raises their aspirations. We believe that through hard work and effort, every child can be knowledgeable, articulate and have the self-confidence needed to enable them to realise their potential.

“The school’s personal development programme has been coherently planned, with the needs of the pupils firmly in mind. All pupils benefit from a wide range of enriching experiences” (Ofsted, 2023).

We offer a broad range of extra-curricular and enrichment opportunities both during and after school, including peripatetic music lessons (piano, guitar, singing, clarinet and drums), various sports clubs (including fencing, football, gymnastics and karate), musical theatre and chess. Many of our students successfully compete in national and regional competitions.

We would love to welcome you to visit our school where you will be able to see the learning environment, feel the warm and friendly atmosphere for yourself and see and hear our current children learning.

About our school

Dollis Primary School is a two-form entry school situated in Mill Hill. We are a welcoming, safe and supportive school who focuses on developing each and every child as an individual. Our exciting and aspirational curriculum allows each child to achieve to the best of their ability. Our main driver is for all of our students to be happy and confident learners, thus allowing them to develop a personal level of motivation and independence.

Our guiding ethos at Dollis Primary is “*Excellence in all we do*”. We believe that students should always be at the centre of what we do – shaping both our daily practice and strategic decisions. This enables us to nurture each pupil into confident, respectful and valued members of our school and wider community.

To bring our ethos to life we have developed a values approach. These six values are present in every interaction across the school, we spend time each term with a specific values focus to instil these in the students and help develop our “*Excellence in all we do*” approach.

- Respect
- Kindness
- Honesty
- Courage
- Ambition
- Determination

The aspirational approach we have for all of our students assists us in providing them with many opportunities to explore, develop interests, be creative and achieve academic success from their individual start points. These opportunities take place both in school and out on various educational experiences such as Y6 Residential.

We are privileged to have children from a wide diversity of cultures and backgrounds. We take time to get to know our families and the children in order to better understand what will support them in their learning. This approach allows for a stronger collaborative relationship where the students will benefit the most. Interactions of this nature are central to the commitment we have to inclusion across the school.

About our school

Etz Chaim Jewish Primary School is a one-form entry school, providing education for children from Reception to Year 6. Under the auspices of the Office of the Chief Rabbi, we are proud to uphold the values and practices of Modern Orthodox Judaism. It is a school where pupils are happy, engaged, and enthusiastic about learning, and where parents value the warm, nurturing, and supportive environment we create for every child.

We pride ourselves on high standards and educational excellence through the delivery of an ambitious, high-quality curriculum. We foster a culture of high expectations for all, ensuring every child is challenged, inspired and fully supported to reach their potential. Our carefully designed curriculum is both aspirational and enriching, offering meaningful, practical learning experiences that promote deep understanding. Through this approach, our pupils develop the skills, knowledge, and confidence they need to succeed in their future learning and beyond. Alongside academic rigour, we provide exceptional care, guidance, and a high-quality learning environment, ensuring that all children are empowered to thrive.

In the event of the Reception class being over-subscribed, places will be offered in accordance with the following criteria, applied in the following order:

- (i) Looked After or previously Looked After children, who ceased to be Looked After because they were adopted (or became subject to a child arrangement order or special guardianship order) as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Admission limit	30
Age range	4-11
Breakfast club	Yes
After-school club	Yes
Nursery class	No

- (ii) Children that have a Sibling, living at the same address, who already attends the school, and who will be on the school roll at the time of proposed admission.
- (iii) Children of all school staff, where the member of staff has been employed continuously at the school for two or more years at the time at which the application for admission to the school is made.
- (iv) Up to 16 places will be allocated to applicants with four or more points on the CRP (Certificate of Religious Practice). The CRP gives applicants the chance to demonstrate Jewish practice when applying to schools where a CRP forms part of the information to be supplied at the time of application. Parents and children complete this for primary applications, and the child does it for secondary entry. Collecting CRP points allows you to prove that you are eligible for a faith place at the schools you are applying to that require a completed CRP form.
- (v) Any remaining places will be allocated on the basis of proximity to the School, with children whose Residence is closest to the School being given priority.

About our school

Hasmonean Primary school is a kind and caring school situated in the heart of Hendon. It has a purposeful building with a wellbeing room, art and Ivrit rooms and areas for interventions. Staff care about the children and positive mental health is a priority.

We aim for all our children to make as much progress and attainment from whatever their starting points, we have an excellent SEND team who support our SEND children.

We are an Orthodox Jewish primary school seamlessly combining a proud tradition and distinguished history with a modern, vibrant outlook.

Guided by the key principle of Torah Im Derech Eretz (this can translate as Torah and worldly engagement through its prism), we aim to inspire our children with a deep love for both their Jewish heritage and the values of the country in which they live.

We strive to enable every single child to reach his or her full potential and thrive, developing confidence and self-worth that will help them to become citizens who make a contribution to their communities, to our diverse society and to the wider world.

This is underpinned by our three core values:

Kindness: We expect pupils to act respectfully towards others and encourage them to appreciate and value the diversity of backgrounds that make up our multicultural society and behave respectfully with regards to other people's feelings, values and beliefs.

Growth: We work with all pupils so that they progress from their level and are ambitious for themselves. We strive for academic excellence in both Kodesh and secular studies. We also place a focus on developing positive physical and mental health to promote resilience.

Community: Jewish values are core to our ethos. As we build our school community around this, we also embrace our role within the wider world and encourage our students to think how they can contribute as active and engaged citizens.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Orthodox Jewish children who are 'looked after' by a local authority and Orthodox Jewish children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after'
2. Orthodox Jewish brothers and sisters whose siblings are at the school at the time of admission or who formerly attended the school for at least three consecutive terms within the period of two years before the date of entry. For these purposes "siblings" shall include half-siblings, step-siblings and adopted siblings who are Orthodox Jewish children and who are living at the same address
3. children of staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made
4. in Years 1 – 6 priority will be given to Orthodox children who are currently educated at non-Jewish schools
5. other Orthodox Jewish children
6. 'looked after' children and/or previously looked after children other than those who are Orthodox Jews
7. other children.

If in any category there are more qualifying applicants than there are available places, priority will be given to those living nearest to the school by straight line measuring in accordance with the Local Authority's measuring system described in its guidance booklet for parents applying for school places ("The Measuring System"), but with measuring taking place to the main entrance of the school site.

When the parents of the child live separately, the address of the child for the Measuring System shall be the address at which the child usually lives. When the parents of the child live separately but the child lives with both parents at different addresses, the child's home address for the Measuring System will be taken to be the address where the child lives for most of the week.

If the child spends an equal amount of time with each parent, the address will be taken to be that of the main parent/carer eligible to receive Child Benefit and Child Tax Credit. If all criteria and measures are equal then a random ballot will be the tie breaker.

About our school

Welcome to Hollickwood Primary School. We are a one-form entry primary school located on the border between Muswell Hill and Friern Barnet. Nurturing and safeguarding children's wellbeing, inclusivity, and working in partnership with parents and carers, is the foundation for all our work. Every child and family is important to us. We are guided by our school values. These are: compassion, curiosity, courage, creativity, commitment and confidence. Children are taught about them from the moment they join our school and are encouraged and supported to 'live out' our values every day.

Our parents tell us that they love the:

- Family feel;
- Wonderfully diverse, vibrant and welcoming community;
- Commitment to placing children's needs at the centre of all our decision making;
- Happy, passionate, hard-working and caring staff who 'go the extra mile';
- Commitment to working in close partnership with parents and carers;
- Strong culture of inclusion and high quality support for all children including those with SEND and who speak English as an Additional Language;
- High ambitions for all children and a belief that all can succeed with the right support;
- Well-planned, ambitious curriculum that instils a love of learning.
- Opportunities for outdoor learning and play in our extensive grounds and play space including a bog garden, allotment, wild area, forest school area, field and two playgrounds;
- High quality wraparound care from 7.30am-6pm that is open to all children from Nursery to Year 6;

Admission limit	30
Age range	3-11
Breakfast club	Yes
After-school club	Yes
Nursery class	Yes

- Wide range of extra-curricular clubs both before and after school;
- Visible school leaders who are committed to continuous improvement.

We strongly encourage parents to visit our school and see what makes it special. Tours can be booked via the 'Admissions' page on our website, or by calling the school office on 020 8883 6880.

Our Admissions Criteria for September 2026 are as follows:

1. Children looked after by a local authority.
2. Children with exceptional medical, social or educational needs that can only be met at this school, assessed with the help of specialist local authority staff on the basis of letters from appropriate professional consultants. (The medical condition of parents or other family members, or difficulties of child care arrangements because of work or other commitments, would not be grounds for priority under this category. Information not provided at the time the application is submitted may not be considered at a later date.)
3. Children who will have a sibling attending the school at the time or proposed admission. (Siblings include half, step, adoptive and foster siblings provided they live at the same address as the applicant.)
4. Children who live closest to the school, measured in a straight line in accordance with the local authority's measuring system.

About our school

Holy Trinity is a one form entry Church of England Primary School with a nursery.

The Governors hope that parents who have chosen this school for their child have done so knowing that it is a Church of England school with a distinctive Christian ethos. Governors welcome applications from those of all faiths and no faith who will give their full support to the ethos of the school.

Governors hope that all children will attend the acts of collective worship and will take part in the religious education curriculum offered by the school. This does not in any way remove the right that parents have to request that their children be withdrawn from these activities.

Education Health and Care Plans and Statements of Special Educational Needs

Families of children who have an Education, Health and Care Plan (EHC) or Statement of Special Educational Needs, naming Holy Trinity School, will be admitted.

ADMISSIONS INTO RECEPTION

The Local Authority co-ordinates applications for reception places. Parents should complete the Common Application Form for the local authority area in which they live. The reception admission limit at Holy Trinity is 30. If there are fewer than 30 applications, all applicants will be offered a place.

Oversubscription criteria (summary)

contact school for full criteria

In the case of there being more applications than places available the Governors will apply the following criteria in order:

1. Children who are in public care, that is, 'looked after' by a local authority and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Admission limit	30
Age range	3-11
Breakfast club	Yes
After-school club	Yes
Nursery class	Yes

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society

2. children who have a brother or sister already attending the school** and whose parents are involved* in the work and worship of the Parish of Holy Trinity or any other Church of England church. The older sibling must be on the school roll when the younger sibling commences their attendance at the school
3. children who have a brother or sister, already attending the school.** The older sibling must be on the school roll when the younger sibling commences their attendance at the school
4. children of staff members at Holy Trinity Primary School. Staff members must be on a permanent contract of employment and have been so for two or more years at the time at which the application for admission to the school is made
5. children who live in the N2 postal district and whose parents are involved* in the work and worship of the Parish of Holy Trinity or any other Church of England church
6. children who live outside the N2 postal district and whose parents are involved* in the work and worship of the Parish of Holy Trinity, N2 or All Saints Church, N2
7. distance from home to school. Distance will be measured in a straight line from the address point for the child's home, supplied by Ordnance Survey, to the main entrance of the school, using the Local Authority's computerised measuring system.

In the event of there being insufficient places for all applicants within any of the above criteria, places will be given to those living nearest the school. In the event that two children live the same distance from the school a random selection will be made to determine which child will be admitted.

* Parental involvement for criteria 2, 5 and 6 is defined as being regular attendance at the church on a minimum basis of at least one service each month continuously during at least the last eighteen months.

** A sibling is defined as a brother or sister living at the same address. It also includes half brothers and sisters, step brothers and sisters and foster children provided all categories live at the same address.

About our school

The Hyde is a friendly and inclusive community school and part of the Elliot Foundation Academy Trust. In May 2015 we were judged by OFSTED to be “outstanding” in every area. Our children love learning and are rightly proud of their achievements. We seek to develop confident and articulate learners in every aspect of school life. In 2014 we won the Speakers School Council Award and in 2019 we were appointed a ‘Flagship School’ for our work around inclusion.

Our academic results reflect the fantastic progress our children make as they achieve above the national average. We have an innovative and exciting curriculum which is enhanced by our Urban Adventure, which offers children extension and enrichment activities. There is a strong emphasis on practical experience and first hand learning, which inspires our children and supports them to succeed.

The school is situated in a modern and spacious building with great facilities including a well used and stocked library and fantastic outdoor space. We provide a wide range of opportunities for children both within the core curriculum and in other ways, such as through school council, sporting activities, and through art and music.

Oversubscription criteria (summary)

When the Academy is oversubscribed, after the admission of Children with Statements of Special Educational Needs (SEN) / Education, Health and Care plan (EHCP) where the Academy is named, priority for admission will be given to those children who meet the criteria set out below:

1. a ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order
a looked after child is a child who is
a) looked after by a local authority or
b) being provided with accommodation by a local authority in their exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer

2. children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child’s family.

Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional. The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. This evidence must be sent to the Academy by the application closing date, for the child to be considered under this criterion

3. children who, on the date of application, have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who is living with them at the same address and on roll of the Academy
4. children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage
5. children living nearest to the school within the defined catchment area (see LA website for details)
6. children living nearest to the school outside the defined catchment area.

Unless otherwise stated distances are measured from the address point for the child’s home, supplied by Ordnance Survey, to the school’s main gate. The distance between these points is calculated using the Council’s computerised geographical information system.

About our school

The Independent Jewish Day School was established to provide an excellent standard of Secular and Religious Education to Modern Orthodox families, within a framework where Religious Studies are taught in Hebrew.

Education at the IJDS is a partnership between our families and our educators and the school's success is based on this. Parents should identify with and support the IJDS ethos both at home and at school.

The IJDS community needs to be unified around the principles of a kodesh programme delivered in Ivrit, support Torah values, observe Jewish laws including Shabbat, Kashrut, Tzniyut as well as Ahavat Yisroel and Ahavat Am Yisroel and show a commitment to a Modern Orthodox Jewish way of life which will be demonstrated by the SIF.

About our school

In September 2015, the first children of Reception age joined London Academy Primary and moved into our purpose-built building, including a bespoke outdoor play and learning area for Early Years. We have been on an exciting journey ever since and look forward to welcoming prospective students and families to our community.

“Pupils enjoy attending and are safe and thrive in the school’s caring environment. They show exemplary behaviour and attitudes to learning. Pupils are kind and courteous to each other... Leaders ensure that clear expectations are embedded in place.” (Ofsted, 2023).

We have developed an engaging, academic curriculum which meets the needs of our students, equips them with the skills and knowledge needed to be successful in a changing society and raises their aspirations. We believe that through hard work and effort, every child can be knowledgeable, articulate and have the self-confidence needed to enable them to realise their potential.

“In early years, children learn successfully across all areas of learning” (Ofsted, 2023).

London Academy Primary continues to consistently achieve outstanding outcomes in all national statutory assessments, including Phonics and KS2 SATs. As an ‘all-through’ school, children have the benefit of a seamless transition into secondary school with existing knowledge of the site, the students and some of their teachers. Our primary students have access to the extensive facilities available on the secondary site and specialist teachers particularly in the sciences, sport and the arts.

We offer a broad range of extra-curricular and enrichment opportunities both during and after school, including peripatetic music lessons, various sports clubs, ballet and chess. We proudly support our outstanding Table Tennis team and are currently the Under 11 Boys and Girls National Champions, with members of this squad recently attending a training camp in China.

Our mission is to create Leaders for Tomorrow and this journey starts from Reception for all students. To help our students achieve this, we believe our learning environment must be calm and purposeful which means that we have the highest expectations for all of our students. Above all, we want your child to be happy and able to flourish and thrive.

If there are more applications than places available, the Governors acting by its Admissions Committee will allocate places using the following order of priority:

- i. Priority children (i.e., children who score four points on the CRP) who are
 - (1) looked after children; or
 - (2) children who were previously looked after but immediately after being looked after became adopted^[1] (or became subject to a child arrangements order^[2] or special guardianship order^[3]).

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making the application.

- ii. **Priority children** (i.e., children who score four points on the CRP) who have a sibling living at the same address who already attends the School and who will still be on the School roll at the time of proposed admission. 'Siblings' include natural brothers and sisters as well as half, step, adoptive and foster siblings.
- iii. **Priority children** (i.e., children who score four points on the CRP) who currently attend the Mathilda Marks - Kennedy Nursery up to a maximum of 70% of remaining places (rounded down to the nearest whole number).
- iv. **Priority children** (i.e., children who score four points on the CRP) who are children of School staff, in either or both of the following circumstances:

- (a) where the member of staff has been employed at the School for two or more years at the time at which the application for admission to the School is made; and/or

- (b) where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this purpose, School staff are individuals employed by the School whether on a full-time or part-time basis.

- v. Other **priority children** (i.e., children who score four points on the CRP).
- vi. Children who are **not** priority children (i.e., children who do not score four points on the CRP) who are:
 - (1) looked after children; or
 - (2) children who were previously looked after but immediately after being looked after became adopted (or became subject to a child arrangements order or special guardianship order).

See paragraph (i) above for the meaning of the terms used in this paragraph (v).

- vii. Other children who are **not** priority children (i.e., children who do not score four points on the CRP).

If there are insufficient places for all applicants within any of the above criteria, places will be allocated to the children who live closest to the school.

About our school

Menorah Primary School for Boys is provided primarily for children of Orthodox Jewish families who maintain strict observance of Orthodox Jewish religious and cultural norms in accordance with the requirements of the Shulchan Aruch based on the three pillars of Ahavas Torah, Yiras Shomayim and Middos Tovos.

The School is a boys' only school with a PAN of 25. There is a separate girls' school on the same site with a PAN of 25 which was rated as outstanding by Ofsted in May 2024 and was described in the Ofsted Report as being "an exceptional school that is at the heart of its community" and where "the ethos of deep care and high ambition is threaded through all aspects of school life." The separate girls' and boys' schools form the Menorah Primary Schools Federation.

Oversubscription criteria (summary) applicable for each of Menorah Primary School for Boys and Menorah Primary School for Girls

Please contact the School or check the School's website for the full criteria.

In the case of over subscription, in deciding which children to admit to the school, the Governing Body will apply the following criteria in the following order of priority:

- Children of the Jewish faith who are or have been "looked after" by a local authority under the provisions of the Children Act 1989.
- 22 Orthodox Jewish children who have attended the School's Nursery.
- Orthodox Jewish children having at least one parent who is a Frequent Attendee at the Golders Green Beth Hamedrash (GGBH) as at the Closing Date. "Frequent Attendee" means having attended either services or Shiurim at the GGBH on average at least three times a week for a period of no less than 12 months in the 16 months prior to the Closing Date.
- Orthodox Jewish children with a sibling who will be at either School at the date entry is required.
- up to three Orthodox Jewish Priority Children per entry age group, "Priority Child" means either (a) the eldest child in a family; or (b) a child of appropriate age for entry to the class applied for whose family has moved into the area in the 12 months prior to the Closing Date but who has no older siblings currently at either School.
- Orthodox Jewish children of Orthodox Jewish families assessed on the basis of the supplementary information form and a reference from an Orthodox Jewish Rabbi.
- other children who are or have been "looked after" by a local authority under the provisions of the Children Act 1989.
- other children with a sibling who will be at either School at the date entry is required; and
- other children.

In the event of there being insufficient places for all applicants within any of the above criteria, a random ballot will be used to determine which children will be admitted under the criteria in question, in the presence of an independent observer.

About our school

Millbrook Park Church of England Primary School is a vibrant and inclusive academy rooted in the Christian vision of The Good Samaritan. Our values of Kindness, Respect, Resilience and Community underpin everything we do, helping our children grow into compassionate, confident and responsible individuals.

We are proud to welcome families of all faiths and none, fostering a warm and respectful community where everyone is encouraged to support and live out our vision and values.

At Millbrook Park, we offer an ambitious and well-structured curriculum designed to support every child to become the very best learner they can be. It is carefully planned to build knowledge, deepen understanding and ignite curiosity across all subjects.

Children are also given rich and varied opportunities to explore their interests, develop new skills, and find their voice. Whether it's through caring for our school goats, tending to our vegetable garden, or leading initiatives as Eco Leaders, School Councillors, Media Crew, or Millbrook Park Radio Leaders, pupils are empowered to make a positive difference in their school and beyond.

We are based in a modern, purpose-built setting with excellent facilities, including dedicated outdoor spaces, specialist teaching areas, and strong provision for sport and the arts. Through daily wellbeing activities, Forest School, and high-quality pastoral care, we actively support the physical and emotional health of every child.

As part of the LDBS Academies Trust, we benefit from working collaboratively with other schools, bringing greater opportunity and innovation to our whole school community.

Millbrook Park is a place where every child is known, nurtured, and encouraged to flourish – academically, socially, spiritually, and emotionally.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children who are 'looked after' and children who were adopted (or subject to child arrangements orders or

special guardianship orders) immediately following having been 'looked after'. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002. A child arrangements order is defined by section 8 of the Children Act 1989. A special guardianship order is defined by section 14A of the Children Act 1989

2. other children who have an exceptional medical, social or other need that the school is particularly able to meet. Applications in this category will be considered only if they are supported by an attached written statement from a doctor, social worker or other appropriate professional. Parents must demonstrate that there is a very specific connection between the child's need and the particular school. Difficulties with child care arrangements because of work or other commitments would not be grounds for priority under this category. Information not provided at the time the application is submitted may not be considered at a later date
3. children who, at the time of admission, have a sibling (brother or sister) living at the same address who already attends the school. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant
4. children living who live closest to the school when measuring distance in a straight line. Unless otherwise stated distances are measured from the address point for the child's home, supplied by Ordnance Survey, to the school's main gate. The distance between these points is calculated using the Council's computerised geographical information system.

Tie Breaker – distance will be used as a tie-breaker within each category.

Final Tie Breaker – applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

About our school

Monken Hadley Church of England primary school is a place where you meet inquisitive, young learners within a unique setting, surrounded by woodland and common. With a rich history and strong community links, we provide a wealth of opportunities for all our children. Underpinning all that we do is our school vision and commitment to meeting our pupils' needs in this safe learning environment.

Our children are joyful risk takers, curious learners, intelligent thinkers, polite servants who support and are supported by one another in faith and friendship.

As an inclusive community, we share the responsibility of nurturing our independent learners who, through their experiences here at Monken Hadley, flourish and achieve their full potential. In doing this, we are preparing our children for their future roles within this changing world. Our aim is for every child to excel in all aspects of school life and to leave here as lifelong learners.

'Being part of the caring and nurturing school community is transformational. Pupils' lives are enriched and families are welcomed with gracious and dignified acceptance and genuine compassion.' SIAMS 2023

'Pupils thrive in this school. They are happy and safe. Leaders have created an extremely caring and supportive environment where everyone is respected.' Ofsted March 2023

2. children with brothers and sisters attending the school at the time of application siblings are defined as a brother or sister who lives at the same address as a child applying, and may be full, half, step, adopted or foster siblings. When multiple birth siblings are offered places they will be offered places at the same time. If only one place is available and the next child who qualifies for a place is a multiple birth sibling the school will go over its plan in order to accommodate that child
3. children who live within 0.6 miles of the school
4. children who live within 4 miles of the school and who have a parent/carer who is a regularly worshipping member* at St Mary the Virgin Church, Monken Hadley**
5. children who live within 2 miles of the school and who have a parent/carer who is a regularly worshipping member at a Church which subscribes to the doctrine of the Holy Trinity
6. any other child

If in any category there are more qualifying children than there are places available, priority will be given to the child whose permanent address is closest to the school.

Random allocation will be used as a tie-break to decide who has the highest priority for admission if the distance between two children's homes and the School is the same. This will be supervised by a person who is wholly independent of the school.

* The Governors consider the term "a regularly worshipping member" to mean attending at least two services per month for the past two years. For those who have recently moved, confirmation of attendance will be required from a former minister.

** Parents/carers who wish to be considered under Oversubscription Criteria 4 or 5 should complete the school's Supplementary Information Form (SIF) The SIF is available from the schools website and should be sent to the school no later than the closing date for applications.

About our school

Nancy Reuben Primary School is an Orthodox Jewish school providing high quality general education that meets the National Curriculum as well as excellent religious education in accordance with Orthodox Jewish law and practice and Sephardi tradition.

The ethos of Nancy Reuben is "Together we Grow" and we achieve this with the following aims:

- We aim to instill Torah values, good Middot (positive character traits) and self confidence in all our pupils that will stand them in good stead for the future.
- We aim to educate our children to the highest possible academic standards in both Secular and Kodesh subjects and that our Y6 pupils will be confident and successful on transfer to their chosen secondary school.
- We pride ourselves on the strong and warm bonds between staff and pupils ensuring that the welfare and pastoral needs of the children is excellent.
- We aim to inspire in our children a love of learning and a desire to acquire knowledge, which extends to both Secular and Kodesh.
- We aim to build self-esteem and confidence within all our children; we recognise and celebrate every child's individuality, and strive to create an atmosphere of acceptance where children respect each other and themselves.
- We take great pride in the diversity of our pupils' Ashkenazi and Sephardi backgrounds and aim to create a community in the school which understands and values the richness of individual traditions and customs.
- We place a high value on developing pupils as well-rounded individuals who can play a part in British society. Teaching British values and preparing them for life in modern Britain is therefore integrated into the curriculum and is an important part of the pupils' education..

Oversubscription criteria (summary)

[contact school for full criteria](#)

After the admission of children with an EHCP, places will be offered according to the following order of priority if there are more applications than the number of places available.

1. Looked After and Previously Looked After Children

Looked after and previously looked after children will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer receiving higher priority. A "looked after child" is a child who is in the care of the local authority, or is being provided with accommodation by a local authority in the exercise of its social services functions at the time of application. A "previously looked after child" is a child who was in public care, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order immediately after being in public care as well as those children who appear (to the Governing Committee) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children with a Sibling at Osidge School

Children who will have a sibling at Osidge School at the date of application will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer

receiving higher priority. A "sibling" will include a full, half, step, adopted and foster brother or sister, as well as a child of a parent's partner with whom he or she has been cohabiting for a period of at least one year at the application deadline, and in all cases the sibling must be living at the child's home address and being brought up within the same core family unit as a sibling to the applicant child.

3. Children of Staff

Children with a parent who has been employed by Osidge School, excluding employees on a casual contract, for a period of at least two years at the application deadline, or who were recruited to fill a vacant post for which there was a demonstrable skill shortage, will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer receiving higher priority.

4. All Other Children

Children who do not fall into any of the categories above will be allocated places under this category by reference to the proximity of the child's home address to the School, with those living nearer receiving higher priority.

Application to Reception Class

Applications for a Reception place at Osidge School should be made through the local authority where the child resides. No additional forms are required by the school.

Admissions to other year groups

Applications for a year other than Reception at Osidge School should be made through the local authority where the child resides. No additional forms are required by the school. If a place is not available, parents can request that their applications be kept on a waiting list maintained by the London Borough of Barnet. Any places which subsequently become available will be offered by the London Borough of Barnet according to the criteria listed above.

About our school

Pardes House Primary School is an orthodox Jewish School for boys, founded in 1954. The great majority of pupils are from Golders Green and surrounding areas, although some come from further away. The religious affiliation of the school is strictly orthodox. Many of the pupils leaving the school go on to the adjoining independent grammar school. There are several distinctive features of the school, which contribute to its special nature and reflect the values of Orthodox Judaism. A sizeable proportion of the timetable is devoted to Limmudei Kodesh, which is integrated into an elongated school day.

About our school

Parkfield Primary School is an inclusive, caring school that proudly welcomes pupils from all over the world. We have a thriving and diverse community in which we share the motto of 'Achieving Together', underpinned by our 3 values of Collaboration, Ambition and Respect.

We are a large primary school with a nursery, ranging from 2-11 year olds, located in West Hendon housing ample grounds for children to learn and play throughout their school day. Our strong links with the Children's Centre onsite ensure our families a wide range of support and enrichment opportunities.

Alongside over 30 other national primary schools, including a local cluster, we are proud members of The Elliot Foundation Academies Trust (TEFAT). This brings many opportunities for collaboration on nationwide and regional projects where the motto of "Where children believe they can because teachers know they can" reflects the conviction that raising expectations for all children and teachers is at the heart of a successful and inclusive society.

When the Academy is oversubscribed, after the admission of Children with Statements of Special Educational Needs (SEN) / Education, Health and Care plan (EHCP) where the Academy is named, priority for admission will be given to those children who meet the criteria set out below:

1. children who are 'looked after' and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after'. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children

Act 2002. A residence order is defined by section 8 of the Children Act 1989. A special guardianship order is defined by section 14A of the Children Act 1989

2. other children who have an exceptional medical, social or other need that the school is particularly able to meet. Applications in this category will be considered only if they are supported by an attached written statement from a doctor, social worker or other appropriate professional. Parents must demonstrate that there is a very specific connection between the child's need and the particular school. Difficulties with child care arrangements because of work or other commitments would not be grounds for priority under this category. Information not provided at the time the application is submitted may not be considered at a later date
3. children who, at the time of admission, have a sibling (brother or sister) living at the same address who already attends the school. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant
4. children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage
5. children living within the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line
6. children living outside the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line.

Distances are measured from the address point for the child's home, supplied by Ordnance Survey, to the school's main gate. The distance between these points is calculated using the Council's computerised geographical information system.

Over-Subscription Criteria: The over-subscription criteria gives preference to children who have attained and verified four (4) points on the School's Certificate of Religious Practice (CRP). In the event of over-subscription, places will be offered in accordance with the following criteria:

1. Looked after or previously looked after children who ceased to be looked after because they were adopted (or became subject to a residence order or special guardianship order) who have 4 points on the CRP. The definition of a "looked after child" is by reference to footnote 16 to paragraph 1.7 of the Admissions Code.
2. Children who have 4 points on the CRP with a sibling enrolled at the School at the time of application and the sibling is due to continue to attend the School after the child enters the School.
3. Children of staff (e.g. including domestic/office staff) who have 4 points on the CRP where the member of staff (e.g. all staff including domestic/office) has been employed by the School for 2 or more years at the proposed date of entry.
4. Children who attend Rosh Pinah Primary School Nursery 2026-26 at the time of application with a completed and valid CRP, 1 to a maximum of 40 pupils.
5. Children who have 4 points on the CRP who are siblings of former pupils of the School.
6. Any other children who have 4 points on the CRP.
7. Any other children who do not have 4 points on the CRP.

About our school

Our school is a vibrant, inclusive, modern-orthodox Jewish primary school committed to Torah values, Ivrit and fostering a strong positive attitude towards Israel. We work in partnership with families and the community to develop pupils to become responsible, committed members of the Jewish community and society at large. In an integrated environment of both secular and Jewish academic excellence, our school nurtures and encourages all of its pupils to achieve their full potential and become tolerant and respectful global citizens. For more information about our school and ethos, please visit our website.

Oversubscription criteria (summary)

In the event that the School is oversubscribed, priority will be given as follows:

1. Looked After Priority Children and Previously Looked After Priority Children. A Looked After child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in s22(1) of the Children Act 1989) at the time of making an application to a school.
2. Priority Children for whom it can be demonstrated that they have a genuine medical or social need to go to this School. Parents applying under this criterion will need to provide appropriate supporting evidence (i.e. a letter from a specialist doctor, a general practitioner, or a social worker). A panel for this will meet once the deadline for applications has closed.
3. Priority Children with siblings who are at the School. For these purposes, "siblings" means a brother or sister (including adoptive, half or stepbrothers and sisters and foster children) either who has attended the school prior to the date of admission or who will be attending the School at the date of admission and is living permanently at the same address as the child.
4. Up to two places for Priority Children whose parent/carer is a member of staff employed by the school to work at the School who either:
 - (i) are, or were within one year before the date of application, recruited to fill a vacant post for which there is a demonstrable skill shortage; or
 - (ii) have been employed by the School for a continuous period of at least two years and who, in the two years immediately before the date of application, have worked full-time or not less than 0.6 full-time equivalent.
5. Priority Children whose parent/carer has acquired 3 CRP points by attending at least 8 Friday night or Shabbat Morning (Saturday) services between 1st June 2023 and 8th January 2024 at an orthodox synagogue (or a synagogue recognised as orthodox by the Office of the Chief Rabbi) located within a 3-mile radius of Kinloss Gardens, London, N3 3DU
6. Priority Children whose parent/carer has acquired 3 CRP points by attending at least 8 Friday night or Shabbat (Saturday) services between 1st June 2023 and 8th January 2024 at any orthodox synagogue (or a synagogue recognised as orthodox by the Office of the Chief Rabbi) outside the 3-mile radius from Kinloss Synagogue.
7. Priority Children whose parent/carer has either obtained 2 CRP points by attending at least 8 Friday night or Shabbat (Saturday) services between 1st June 2023 and 8th January 2024 at any orthodox synagogue (or a synagogue recognised as orthodox by the Office of the Chief Rabbi) outside the 3-mile radius from Kinloss Synagogue, and/or by completing Jewish learning courses and/or volunteering in the last 12 months.
8. Other Looked After Children and Previously Looked After Children.
9. Other children whose parent/carer is a member of staff employed by the School to work at the School who either:
 - (i) are, or were within one year before the date of application, recruited to fill a vacant post for which there is a demonstrable skill shortage; or
 - (ii) have been employed by the School for a continuous period of at least two years and who, in the two years immediately before the date of application, have worked fulltime or not less than 0.6 full-time equivalent.
10. Any other children.

For the avoidance of doubt, any random ballot held in accordance with this admissions policy must be supervised by a person who is independent of the School.

Admission limit	30
Age range	4-11

About our school

We aim to provide a happy, secure and stimulating environment where our pupils are inspired to be the best they can. We work with parents to support each individual child to become confident and have a strong sense of self-worth.

When our children leave this school, we want them to be creative and critical thinkers so that they will be prepared for the challenges of secondary school and the world beyond school. We hope that all our children will be caring, tolerant individuals who follow God's commandment to love God and to love our neighbour so that they will grow up to be responsible citizens who will make a positive contribution to society.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Catholic 'looked after' children and 'previously looked after' children
2. Baptised Catholic children who have a brother or sister attending the school at the time of admission
3. Baptised Catholic children who do not have a brother or sister attending the school at the time of admission
4. Other 'looked after' children and 'previously looked after' children
5. Catechumens and members of an Eastern Christian Church
6. Any other children who have a brother or sister attending the school at the time of admission

7. Children of other Christian denominations whose application is supported either by a certificate of baptism or by a letter from their Minister of Religion confirming membership of that faith community
8. Children of other faiths whose application is supported by a letter from their Religious Leader confirming membership of that faith community
9. Any other children

Within each of the categories listed above the admission authority will give top priority, within a category, to an application where compelling evidence is provided at the time of application, from an appropriate professional such as a doctor, priest or social worker, of an exceptional social, medical, pastoral or other need of the child, which can only be met at this school.

Where the offer of places to the applicants in any of the categories listed above would exceed the number of places available, the places up to the admission number will be offered to those living nearest to the school as measured in a straight line from the applicant's home address point to the school address point using a computerised mapping system.

About our school

At Saracens Bell Lane, we strive to provide a strong foundation for a happy and successful life by developing strong moral purpose, character, and cultural capital, while creating memorable experiences and a culture of high achievement. We encourage all children to have high expectations of themselves, to show respect for others, to celebrate diversity, and to become independent learners who are empowered to fulfil their true potential.

We aim to embed the values of discipline, hard work, honesty, and humility across all areas of school life. Through lessons and extra-curricular activities, 'The Saracens Way' fosters a thirst for knowledge, independence, resilience, and a positive approach to thinking and problem-solving.

At Saracens Bell Lane, we aim to provide an ambitious curriculum that enables all learners, including SEND and disadvantaged pupils, to acquire the knowledge and cultural capital they need to succeed in life. We strive to ensure that our pupils are knowledgeable about a wide range of cultural experiences, confident in discussing their value and significance, and enriched through a broad range of opportunities that develop their skills and understanding.

Our aim is to guide children to think independently and creatively, to understand the world around them, and to navigate life with confidence, insight, and happiness.

Admission Criteria

Places will first be allocated to children with an Education, Health and Care Plan (EHCP)

naming the school. The remaining places will be allocated in the following order of priority:

1. 'Looked after child' or a child who was previously looked after, but immediately after being looked after became subject to an adoption, residence, or special guardianship order. 'A' looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children Act 2002'.
2. Children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker, of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the Local Authority with the application, a child's medical or social needs cannot be considered.
3. A child with a sibling attending the school at the time of application. Where an older sibling is in Year 6, siblings will not be given priority under this criterion. Sibling is defined in these arrangements as a child who lives as brother or sister in the same house, including natural, adopted, step and foster brother and sister.
4. A child of any member of the Trust's staff working at Saracens Bell Lane.
5. Other children by distance from the school, with priority for admission given to children who live nearest to the school. Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.
6. Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order using London Borough of Barnet's (L B Barnet) computerised system and places will be offered accordingly.

About our school

Saracens Broadfields is a thriving, large primary school in Edgware, proud to be part of the Saracens Education. We are a happy, positive, and successful school where children make good progress, feel valued, and truly enjoy the early years of their lives.

As a large school, we are fully committed to delivering an outstanding education tailored to our wonderfully diverse local community. We offer a wider-than-normal range of opportunities in sports, the arts, and advanced provision for our most able pupils.

We are unique in our close relationship with the highly successful Saracens Rugby Club. While you do not need to be a sports player or fan to benefit, this partnership brings an expectation of excellence into our daily school life.

We focus deeply on character education alongside strong academic outcomes. Everything we do is underpinned by our shared core values of Discipline, Hard Work, Honesty, and Humility. At Saracens Broadfields, we are unreasonably ambitious for all our young people, working in close partnership to develop confident, lifelong learners who will thrive both in school and in the world beyond.

Oversubscription criteria (summary)

contact school for full criteria

If there are more applications than available places, Saracens Broadfields allocates places in a fair, clear, and objective manner.

Priority Allocation

First priority is always given to children with an Education, Health and Care Plan (EHCP) that names Saracens Broadfields.

Remaining places are then allocated in the following strict order of priority:

1. Looked After and Previously Looked After Children: Children in the care of, or provided with accommodation by, a local authority, including those who were adopted or became subject to a residence or special guardianship order immediately after being looked after. This includes children who were adopted from state care outside of England.

Admission limit	60
Age range	2-11
Breakfast club	Yes
After-school club	Yes
Nursery class	Yes

2. Exceptional Medical or Social Needs: Children with a specific need to attend Saracens Broadfields rather than any other school. Professional evidence from a medical specialist or social worker must be submitted to the Local Authority with the application.
3. Siblings: Children who live as a brother or sister in the same house (including natural, adopted, step, and foster siblings) who have a sibling attending the school at the time of application. Note: This does not apply if the older sibling is in Year 6.
4. Children of Staff: Children of any member of the Trust's staff working directly at Saracens Broadfields.
5. Distance: Other children based on straight-line distance from the child's home address point (supplied by Ordnance Survey) to the school's main gate. Those living closest receive priority.

Tie-Breaker Rule

If applicants live in the same block of flats, or have the exact same distance measurement, places are allocated in random order using the London Borough of Barnet's computerised system.

Please Note

Nursery to Reception Transition: Children attending the Saracens Broadfields Nursery are not guaranteed a place in Reception. Parents must still apply formally via the London Borough of Barnet Common Application Form (CAF).

In the event that the school is oversubscribed priority will be given as follows.

1. Orthodox Jewish Children who are either 'Looked after children' or children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after' or who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Orthodox Jewish children with siblings who are currently at Shalom Noam Primary School at the time of the application. For these purposes "siblings" shall include half-siblings, step-siblings and adopted siblings who are Orthodox Jewish Children and who are living at the same address.
3. Orthodox Jewish Children who attend Shalom Noam Nursery (maximum of twelve places).
4. Other Orthodox Jewish children.
5. Other children who are either 'Looked after children' or children who were adopted (or subject to child arrangements orders or special guardianship orders)

immediately following having been 'looked after' or who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

6. Other children.

If in any category there are more qualifying applicants than there are available places, a random ballot will be used to determine which children will be admitted under the criterion in question, in the presence of an independent observer.

An applicant is considered to be an Orthodox Jewish child on the basis of completion of Supplemental Information Form (SIF). Where priority admission is sought on the basis of this criteria, verification of orthodox Jewish practice must be obtained from an orthodox rabbi as provided for in the SIF.

About our school

St Agnes is an outstanding Catholic Primary school situated in the parish of St Agnes in Cricklewood. We are a high achieving all through primary school with a Nursery on site. Ofsted March 2025 graded the school as outstanding in all areas, stating that "Pupils are very happy and thrive at school. They are guided to respect others, be honest and try hard. They behave exceptionally well in class and around the school. Many parents and carers commented that the school is 'supportive and nurturing'. Pupils are very enthusiastic about learning across all subjects. They meet the school's very high academic expectations."

We recognise the fact that each child is an individual and we work hard to ensure that the academic potential of each child is met, whilst nurturing their faith - therefore developing the whole child. St Agnes' is a thriving happy and successful school, where children are encouraged to give of their best at all times.

The community of St Agnes believes that excellent standards are achieved through high expectations, a growth mindset, support, challenge, and encouragement. We believe that strong partnerships between school and home are fundamental to a child's success. It is our aim to provide this for every child, enabling their primary years to be a memorable experience, whilst equipping them with the desire, understanding, skills and confidence to be life-long learners and responsible citizens of the future.

About our school

St Andrew's is a thriving, caring and aspirational school in the heart of Totteridge, which serves pupils from across the local authority.

Here at St Andrew's, your child will learn and grow in a stimulating and nurturing environment.

They will develop a long-lasting love of learning and strong sense of self belief and self-worth.

Our shared vision is at the heart of everything that we do; we appreciate one another's talents and we all treat each other sensitively and thoughtfully. SIAMS (2024) say "Staff encourage pupils to challenge themselves and one another in their academic learning and personal growth."

We are extremely proud of the progress our pupils make, both personal and academic. Ofsted (2026) graded all areas as Strong Standard. "Pupils flourish at this warm and nurturing school. They are known and valued by staff who support their individual needs, ensure they can achieve... Pupils are safe. They know that there are trusted adults in school who they can talk to if they have any concerns." "Pupils speak enthusiastically about the rich curriculum they learn. The curriculum is well sequenced and enables pupils to build their knowledge and skills securely over time. Pupils develop confidence in reading, writing and mathematics. By the time they leave the school, pupils attain above-average levels in national tests." "Leaders have developed an exciting and interesting curriculum in the early years that covers all areas of learning."

Our school serves its local and wider community, welcoming children from all faiths and children with no faith. We value and celebrate the diversity of our community. "There are strong relationships within the school and this is of high priority." SIAMS (2024)

If you are a prospective parent and would like to visit our school, tours are available throughout the Autumn term. Please contact the school office.

About our school

At St. Catherine's, we are committed to providing children of nursery and primary school ages with a child centred learning environment where all children flourish socially, emotionally, academically, physically and spiritually. Each child is encouraged to achieve their full potential and celebrate their uniqueness. At the heart of this is our strong caring ethos based on mutual respect and gospel values.

Whilst we prioritise catholic families, we welcome applications from all faiths. It is essential however that the catholic character of the school's education is fully supported by all families in the school, where together we give our full, unreserved and positive support for our school ethos and aims.

About our school

The school is in the Parish of St. James and St. John. We are a popular Church of England one-form entry primary school with a nursery for pupils aged 3-4 years. We have excellent facilities which include a fantastic indoor swimming pool, a music room, cookery suite, art room and an all-weather Multi Use Games Area (a MUGA) which provides the opportunity for our children to enjoy outdoor sport the whole year long. Pupils have access to a variety of after school clubs including wraparound care from Nursery-Y6.

The school is well resourced and staffed and we enjoy the support of our parent community and a very hard working and committed Parent Teacher and Friends Association which raises thousands of pounds every year to invest in the children's education.

St. John's takes a holistic approach to education and aims to help children grow in all areas. The social, physical, emotional, spiritual and moral development of our pupils are of equal importance and we are always proud of our pupils' achievements in all of these key areas. We are committed to inclusive education and our aim is for the needs of every child to be recognised, understood and catered for. Parents, staff and governors work together to ensure that every child is supported and able to receive an appropriate and rewarding education

We aim to ensure equal opportunity for all regardless of gender, race, religion or special need. The school recognises that children living in Barnet are part of a wider multicultural society and our educational objectives reflect this, preparing children to live and work together in harmony.

About our school

We are a nurturing and inclusive, one-form entry, Church of England Primary and Nursery School that offers children a huge breadth of learning experiences. We aim to provide a high quality, broad and balanced education within the context of our Christian vision, beliefs and practices; our Christian ethos is at the heart of everything we do. Children from a variety of faiths, cultures and beliefs are nurtured and challenged to be their very best today and be prepared for tomorrow. In our caring environment, our children are encouraged to grow into lifelong learners and are constantly challenged to fulfil their dreams.

'Children take great pride in their work and talk animatedly about their learning and achievements. The calm and purposeful atmosphere in the school, alongside a relentless focus on meeting the needs of all learners, means that children are well behaved, happy and have high aspirations for themselves and their peers.' SIAMS Outstanding 2017

'Pupils are rightly very proud of their school. They show this by working hard, looking after their environment and taking care of each other. Pupils said they enjoy school so much because everyone knows everyone. They look forward to learning and, like their teachers, have high expectations. All pupils learn successfully here.' About our school

As a Catholic school, our overall goal is to fulfil the Church's mission in education by ensuring we provide the highest level of academic achievement in a moral and spiritual framework. At St Joseph's we strive for excellence in the development of the 'whole child' and for a community in which everyone's well-being is valued – academically, spiritually, emotionally, and morally.

We aim to make a better world by ensuring our children gain the skills they need to be successful at secondary school and to lead a fulfilled life. At St Joseph's, we aim to have a school where;

- Parents can trust that their children are being academically challenged in a caring environment
- Children are enthusiastic and independent learners motivated by the rich and varied curriculum
- Each individual is developed to take their place as active and productive member of the Catholic community and within the wider world

About our school

At St Mary's and St John's school, a Church of England Foundation, we believe that '...with God, all things are possible'. Our vision is drawn from Matthew's gospel which proclaims the Kingdom of God. Jesus teaches his disciples about choice, commitment and Christian hope for transformational change.

A fundamental component of our lives at SMSJ is a confident reassurance that all things are possible. We believe that healing, repair, repentance, forgiveness and reconciliation are always possible. We embrace innovation and transformation with the conviction that with Christ, every day, every task, every situation, every relationship brims with divine possibility. God is always at work in our lives.

SMSJ exists to enhance the future life chances and opportunities of our students, whatever their faith or starting point, by providing a centre of educational excellence at the heart of our community.

Through hard work, resilience, perseverance and a commitment to our learning, we will create a hope-filled future. Our children will be equipped with the ambition, qualities, qualifications and values necessary to meet the challenges of an ever-changing world

We demand and achieve high standards in all areas of school life within a disciplined, secure, caring and stimulating environment. We value and praise the successes of our students and staff. The school is held in high esteem by the local community and, as a consequence, is very popular and heavily oversubscribed. Alongside academic excellence we place a strong emphasis on impeccable manners, articulacy, and excellent behaviour, smartness of appearance, hard work and kindness.

Our core Christian values; Wisdom, Service and Hope, define us, strengthen relationships with our parents and children, and provide guiding principles that enable us live out our vision.

About our school

At St. Mary's it is our priority that the education that each child receives here will enable them to achieve their holistic potential so that they can progress confidently into the next phase of their education.

Our values as a church school form the basis of our emphasis on the development of the whole child; socially, emotionally, culturally and spiritually.

In partnership with St Mary's Church, children have opportunities to develop their understanding of the Christian faith, as well as learning about other faiths and cultures. We enjoy seeing children succeed and flourish in many different ways working together with parents and carers.

Oversubscription criteria (summary)

Oversubscription criteria (summary)

[contact school for full criteria](#)

First Criterion

'Looked after' children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. These children will be considered first, regardless of faith. Following this the remaining places will be offered as set out below.

Foundation places

35 designated places

To be offered to pupils whose parent/carer (those with parental responsibility) are faithful and regular worshippers at churches defined by priority below. Where there are more Foundation children than places in any criterion, the order of priority used to make offers will be:

- St.Mary-at-Finchley or St.Paul's Finchley
- Another Anglican Church
- A church which: is a full or associate member of Churches Together in Britain and Ireland, or of the Evangelical Alliance, is a member of the Fellowship of Independent Evangelical Churches, belongs to Affinity or the World Council of Churches.
- Any unfilled places Foundation Places will become additional Open Places. Unsuccessful applicants for Foundation Places will be considered for Open Places.

Admission limit	60
Age range	3-11
Breakfast club	Yes
After-school club	Yes
Nursery class	Yes

Open Places

25 designated places

To be offered to pupils who do not qualify for a Foundation Place, but whose parents have chosen the school for the type of education it provides. Applicants for open places should not complete the supplementary information form.

Oversubscription

For allocating both Foundation places and Open places, the following oversubscription criteria will be applied, these are stated in order of priority (highest to lowest):

- Children of staff who have been employed at the School for two or more years at the time at which the application to the School is made or of staff members who are recruited to fill a vacant post for which there is a demonstrable skill shortage.
- Children with known special medical or social needs or where one or both parents have specific medical or social needs. Written supporting evidence should be supplied, at the time of application, from a relevant professional, such as a doctor, social worker or educational psychologist. The supporting evidence should state the reason why this particular school is the most suitable and the difficulties that would be caused if the child had to go to another school.
- Children who will have a sibling in the Primary school at the time of admission (sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural (blood) brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters).
- The nearness of the child's home to the school, measured in a straight line from home to the school's main entrance. Priority for admission will be given to children who live nearest to the school as measured by the London Borough of Barnet Admissions Department.

About our school

At St Paul's 'We are a welcoming community underpinned by a strong inclusive Christian ethos. Each individual is encouraged to work with their whole heart to strive for wisdom, through learning which is broad and enriching. We show compassion for all in God's creation and have the endurance to meet future challenges'.

Our Values of Wisdom, Compassion and Endurance all with Humility guide us in all that we do to ensure our children's needs are met in the fullest sense; academically, emotionally, physically and spiritually. We encourage pupils to experience moments of awe and wonder, both in and out of the classroom, and seek to offer every child an equal opportunity to be inspired; be successful and develop a love of learning.

Ofsted said about our school – July 2024: "This is a nurturing and caring school with the community at its heart. It encourages pupils to celebrate differences and treat everyone as individuals. The school's values of 'wisdom, compassion and endurance with humility' are evident in all that the pupils demonstrate."

About our school

The responsibility for admission to the school rests with the Governors. The admissions arrangements are written in reference to the 2014 Admissions Code. The published admission number (pan) for the school is 30 children. If the school receives more applications than it has places to offer, it will not be possible to accept all the children applying. In this event the Governors will offer places in accordance with the Oversubscription Criteria laid out below.

To apply for a place at St Paul's C of E Primary School, parents/carers must complete their home Local Authority Common Application Form, naming the school. The form must be submitted to their home Local Authority by the national closing date for applications - 15th January 2027. Places are offered on a full time basis from the September following the child's fourth birthday.

The admission of a child that has an EHC (Education, Health and Care) Plan is considered under a separate process and the school will be consulted separately about its ability to meet the child's particular needs. In accordance with Section 324 of the Education Act 1996, the School will admit any child with an EHC Plan for whom the School is named. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. By a "looked-after child" we mean one in the care of the local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A "child arrangements order" is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and
2. Children who will have siblings at the school at the time of admission. Siblings refer to all blood, half, step, adoptive and foster children who live at the same home address as the child already attending the school and will be attending the school at the time of the sibling's attendance.
3. Children whose parent/s are committed members of and frequently worship at St Paul's Parish Church, Mill Hill. To fulfil this criterion, the parent/s must be on the Electoral Roll (unless a member of the clergy) of St. Paul's Church and have attended at least two Sunday services a month for a period of not less than two years before the date of the application for admission (subject to note 2 below as to this minimum 2 year requirement). Evidence to verify this will be required from the Vicar (or, in the event of an interregnum, from the Churchwardens).
4. Children who live in St Paul's Parish.
5. Children whose parent/s are committed members of and regularly worship in other Trinitarian churches or chapels and for whom St Paul's is one mile or less from that church or chapel. About our school

‘Creating excellence - inspiring success for all’

At Summerside, part of Reach2 Academy Trust, we pride ourselves on offering a creative and purposeful learning environment, where all children have the opportunity to be successful and feel valued. We celebrate our diversity in all aspects of our school life and embed this into our exciting curriculum.

Having Barnet’s only Primary Provision for children who are D/deaf, we are highly inclusive and extremely proud of the community involvement which further enriches our curriculum. All our children develop their confidence and self-esteem through our nurturing approach.

Our staff are committed to providing outstanding teaching and learning which is inspiring and enjoyable. Year on year, our children continue to make exceptional progress from their starting point and therefore move to the next stage of their education feeling accomplished and successful.

We are very proud to have been judged to be a Good school by Ofsted:

“We spoke with pupils in every year group and they told us how much they enjoy coming to Summerside. Pupils are polite and respectful to others... Pupils’ achievement, in their learning and behaviour are celebrated every day.”

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). All references to previously looked after children in this document mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Applications under this criterion should be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order). Indicate this on the CAF.
2. Children who have a sibling at the school on the date of admission in September.
3. Children who are eligible for Pupil Premium and are currently in receipt of Free School Meals based on family income who live within a 1 mile radius. This will be verified by completing the school's Supplementary Information Form (Free School Meals SIF). A maximum of two children will be accepted under this criterion.
4. Children whose parent is a faithful and regular worshipper at Christ Church, Cockfosters and has been for the 24 months immediately prior to the closing date for application. This will be verified by the minister at Christ Church, Cockfosters by completing the school's Supplementary Information Form (church SIF).
5. Children whose parent is a faithful and regular worshipper at Christ Church, Cockfosters and has been for the 12 months immediately prior to the closing date for application. This will be verified by the minister at Christ Church, Cockfosters by completing the school's Supplementary Information Form (church SIF).
6. Children whose parent is a faithful and regular worshipper at a church which is a member of the Churches Together in England, or Evangelical Alliance, and has been for the 12 months prior to the closing date of application. This will be verified by the minister at their named church by completing the school's Supplementary Information Form (church SIF).
7. All children not falling into any of the categories above.

About our school

Watling Park is a friendly and inclusive school. Everything we do rests on the strong foundation of our and the Bellevue Place Education Trust values, which make sure all our children 'learn, enjoy and succeed'.

We believe that a child's education is a partnership between home and school and, as such, we want to work closely with parents to create a learning environment where your child feels safe, happy, well-motivated and healthy. We work hard to support all children to grow and flourish as confident individuals with high personal aspirations and a lifelong love of learning. We celebrate diversity and teach children to recognise and respect individual differences as well as similarities.

Our staff work tirelessly to ensure that each and every child is encouraged and challenged, make excellent progress and achieve their full potential. We offer a knowledge-rich curriculum driven by high-quality teaching within a calm and nurturing learning environment. Our children are kind, respectful and a pleasure to teach.

Our values of kindness, inclusivity, respect, honesty, responsibility and ambition are at the heart of everything we do and are demonstrated within our calm, purposeful and supportive community. Our children develop into responsible and responsive members of the local, national and international communities we serve.

Oversubscription criteria (summary)

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and previously 'looked after' children. This category includes children in the care of the local authority as defined in the Children Act 1989 or children who have previously been 'looked after' and immediately after being 'looked after' became subject to adoption, child arrangements order or a special guardianship order. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence
2. children with a sibling at the school at the time of admission
3. children of staff at the school
4. proximity to the school as measured by the straight line distance from the pupil's home, to the main entrance point of the school using a GIS computerised mapping system.

In the event that two or more children live at the same distance from the school, the tie breaker will be random allocation, where the supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

About our school

Wren Academy is an all through school sponsored by the London Diocesan Board for Schools (LDBS) and Berkhamsted School. Wren is an outstanding academy founded on Christian principles, which is both a community school meeting needs of local residents and which serves the children of the Christian community in Finchley.

Behaviour here is excellent and personal development has been identified as a strength across both the Primary and Secondary phases with a range of trips, residentials, experiences and real life learning opportunities available for all the children.

Academic progress is a priority for us, striving to ensure all children reach their full potential in all subjects. We offer an outstanding wider curriculum with specialists from the secondary phase teaching Art, French, PE and Music in the Primary.

Our Christian ethos means that we place an emphasis on spiritual development as well as academic, social and personal development. It does not mean that all our students come from a Christian background. Indeed, we welcome applications from people from many different backgrounds and faith traditions. We do however expect that everyone who comes to Wren Academy will be fully supportive of the school as a Christian foundation.

Oversubscription criteria (summary)

contact school for full criteria

The criteria in this section apply to entry at all phases of the school.

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan (EHCP) naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order¹ Including those who appear to the LA to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Priority will next be given to children based on their exceptional medical need or those of their parents/carers. Each application must include: recent written evidence, from a medical consultant responsible for the treatment of the child's or their parent's/ carer's need which evidences and fully explains the medical need in question; why they must attend this school rather than any other as a result of the medical need in question which could not potentially be met by one or more other schools in the borough if the child were to attend another such school; and the application

is supported by a written explanation of the difficulties that the child would suffer if he or she did not attend the Wren Academy Finchley in particular. If evidence is not submitted to the LA with the application, a child's or their parent's/carer's medical needs cannot be considered. The Governors will retain an absolute discretion whether to allow any particular application under this criteria and will be entitled to take any factors which they consider appropriate into consideration including whether the school has the facilities and resources at the relevant time to accept the child and the impact of the admission on other students.

3. Priority will next be given to the siblings² of pupils attending the school at the time the application is received. Where an older sibling is in Year 13, siblings will not be prioritised under this criterion.
4. Priority will next be given to the children of staff members who have been employed on a permanent contract for a period of two years or more at the time at which the application is made; and/or the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. To be eligible, staff must work on the school site on a weekly basis for their child to be admitted.
5. The remaining places will be allocated equally between Community and Foundation applicants as follows:
 - a. Community places based on proximity³ to the school
 - b. Foundation places⁴
 - i. 60% for applicants attending Church of England churches
 - ii. 40% for applicants attending a church of another Christian denomination in fellowship with the Church of England⁵

In the event that during the period specified for attendance at worship⁶ the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

6. Where there are places available in categories above, these will be filled from the other category.

Faith applicants should also submit a SIF to the school by 15 January 2026.

¹ A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

² Siblings include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.

³ Applicants who live closest to the school

⁴ Regular attendance at church under criteria 5.b.i and ii is defined as attendance at church for regular Sunday services on at least two occasions per month for at least the last two years as at the date of application. This requirement is also set out on the Supplementary Information Form.

⁵ Churches that are in fellowship with the Church of England will be a member of the Evangelical Alliance or Churches Together in England.

⁶ The period specified for attendance at worship is set out in Footnote 4 and in the Supplementary Information Form.

Keywords

This section explains some of the terms used in this booklet. These definitions apply except where individual schools define the terms in their admission arrangements.

Admission limit is the number of school places that is available in each year group.

Admissions criteria are the rules set by either the council or the governing bodies and are used to decide whether or not a place can be offered to a child.

‘Looked after’ children are those being cared for by a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This Act only applies to England and Wales, which means that a child has to be looked after by an English or Welsh local authority in order to be given priority for admission.

Previously ‘looked after’ children are those who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’ including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014.

Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

See Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Parent is the term used to refer to anyone who has parental responsibility for and care of a child in accordance with the Children Act 1989.

Sibling refers to a brother or sister, half brother or sister, step brother or sister, adopted brother or sister and foster brother or sister living in the same family unit at the same address.

Education, Health and Care Plan (EHCP)

is the document setting out the educational provision that will be made for a child with special educational needs, as well as their health and social care needs. The EHCP replaces the Statement of Special Educational Needs under The Children and Families Act 2014. Parents are given a copy of the EHCP and will be involved in the review process.

Supplementary Information Form (SIF)

is the name of the form you may have to complete to be considered for faith schools or selective schools. The school pages of this booklet tell you if a SIF is required. The form can be obtained from the relevant school and should be returned to that school.

Further information

Nursery admissions

Children can start nursery classes in a primary school, or one of the nursery schools, in the school term after they reach their third birthday.

The four nursery schools in Barnet are:

- Brookhill Road Nursery
- Hampden Way Nursery
- Moss Hall Nursery
- St Margaret's Nursery.

The age children can start depends on how many places are available. Most nursery places are for half a day, either morning or afternoon. There is no central admissions process for nursery classes. For further information regarding nursery classes and pre-school provision please visit <https://www.barnet.gov.uk/children-and-families/childcare/choosing-childcare-and-early-education>.

Admission outside a child's normal age group

The Council believes that children should be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children, and that they should only be placed outside their normal age group in very limited circumstances. However, parents may request out-of-year admission, for example if the child is gifted and talented or has experienced problems such as ill health.

If you would like to request that your child is educated outside their normal age group, you must complete an application for the correct year group in the normal way and in addition complete a 'Request for Out-of-Year Admission' form.

The '[Request for Out-of-Year Admission](#)' form should be submitted together with supporting evidence that demonstrates why it would be in the child's best interests to be educated out-of-year.

Offers of places in a child's correct chronological year group cannot be held until the following academic year, so if out-of-year admission is agreed, you will need to re-apply for a place in the following year.

Summer-born children

We are aware that some parents of summer-born children (those born between 1st April and 31 August 2023) may not want their child to start school until September 2028. However, at this point they will have missed a year of school and will join a year group that is moving from Reception to Year 1.

If parents wish to apply for their summer-born child to join the Reception class, instead of Year 1, in September 2028, they must submit a '[Request for Out-of-Year Admission](#)' form as above. This does not apply to children born in the Autumn and Spring as these children must legally be attending school full-time in the term that starts after their fifth birthday.

To apply for an out-of-year place

1. You must submit an application for the normal year group for your child's age whilst the request is being considered.
2. You must complete a '[Request for Out-of-Year Admission](#)' form and submit any supporting evidence.
3. For delayed entry to Reception, the request must be submitted before **15 January 2027**.
4. Each request will be carefully considered and a decision will be made on the merits of the individual case. This will include taking account of your views, information about your child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
5. If a request to delay your child's start in Reception by a year is approved, you will be advised to re-apply in the following year and provide a copy of the decision. However, there can be no guarantee of a place being available at your preferred school, as this is dependent on the number of applicants that year.

Please note:

- for all primary schools, the request will be considered by the individual school's admission authority
- there is no statutory right of appeal if your request is not agreed.

In-Year Admissions

If you wish to apply for a place at a Barnet primary school during the school year because you have just moved into the area, or you would like to transfer your child from one primary school to another, please visit our website for further information and the link to the In-Year admission application form:

<https://www.barnet.gov.uk/schools-and-education/school-admissions/year-admissions>

If you are applying for a school outside Barnet, please contact the local authority where the school is situated for information about their application procedure.

If a community school is oversubscribed, the following criteria will be applied, in order, to allocate places:

1. 'Looked after children' and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after' as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Children without a school place whom the Director of School Access and Skills accepts have an exceptional need which the school is particularly able to meet. Applications in this category must be supported by a current letter from a doctor, social worker or other appropriate professional which names the school. Parents must demonstrate that there is a very specific connection between the child's need and the particular school. Information not provided at the time the application is submitted may not be considered at a later date
3. Children without a school place who live within the school's associated geographical area and will have a sibling at the school at the time of admission
4. Children without a school place who live outside the school's associated geographical area and will have a sibling at the school at the time of admission
5. Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and will be in employment as a teacher when the child starts school
6. Children who live within the school's associated geographical area and who are without a school place because they have moved
7. Children without a school place who live within the school's associated geographical area*, who are a former pupil of the school and who have attended the school in the 12 months prior to the date of the application
8. Other children without a school place who live within the school's associated geographical area
9. Other children who will have a sibling in the school at the time of admission
10. Other children who live within the school's associated geographical area
11. Remaining places are offered to children living outside the individual school's defined area, giving priority to those living closest to the school when distance is measured in a straight line.

Waiting Lists

Waiting lists for most Barnet primary schools are closed at the end of each academic year. If you want your child to remain on waiting lists for the following academic year you will need to submit a new In-Year application.

Fair Access Protocol

All local authorities have a 'Fair Access Protocol' to ensure that children without a school place, especially the most vulnerable and those hard to place, are offered places at suitable schools as quickly as possible.

School places are offered in a way that ensures that children are shared between schools and no individual school takes a disproportionate number of children under the protocol.

Transfer to Junior School

There are 6 infant schools in Barnet that have a separate junior school.

These are:

- The Annunciation Catholic Infant School
- Brookland Infant School
- Deansbrook Infant School
- Garden Suburb Infant School
- Moss Hall Infant School
- Queenswell Infant School.

Although almost all pupils will transfer from Year 2 of the infant school to Year 3 of the linked junior school, parents must submit an application for a junior school place. You must do this online at **www.eadmissions.org.uk**.

The closing date for applications is **15 January 2027**. The outcome of applications will be emailed to you on **16 April 2027**. Applicants who are not offered their first preference school on 16 April 2027 will receive information about the options available in their offer letter.

If a community school is oversubscribed, the following criteria will be applied, in order, to allocate places:

1. 'looked after' children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after' as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Children who, when the applications are processed, attend the linked infant school
3. Children whom the Director of School Access and Skills accepts as having exceptional medical or social need that the school is particularly able to meet. Applications in this category must be supported by a current letter from a doctor, social worker or other appropriate professional which names the school. Parents must demonstrate that there is a very specific connection between the child's need and the particular school. Information not provided at the time the application is submitted may not be considered at a later date
4. Children who live within the individual school's defined area and who are without a school place because they have moved
5. Children who, at the time of admission, have a sibling living at the same address who already attends the school, or the linked school in the case of separate infant and junior schools. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant
6. Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and will be in employment as a teacher at the school when the child starts school
7. Children living within the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line
8. Children living outside the individual school's defined area, with priority given to those living closest to the school when measuring distance in a straight line

Travel costs

Most children applying for a primary school place in Barnet can reasonably be expected to attend a suitable school within their local area.

Children of primary school age can travel free on London buses with a valid Zip Oyster photocard.

Home-to-school travel assistance is available only in limited circumstances and eligibility is assessed in accordance with Barnet's Home-to-School Travel Policy.

For further information about eligibility and how to apply, please visit: **<https://www.barnet.gov.uk/schools-and-education/school-meals-travel-and-benefits/school-travel-and-transport/free-travel>**

School uniform

- School uniform plays a valuable role in contributing to the ethos of a school. While schools are encouraged to consider the introduction of uniforms, they are also expected to help limit their expense.
- School uniform grants can only be made during summertime school holidays through The Mayor's Benevolent Fund. Further information is available at www.barnet.gov.uk/benefits-and-financial-advice/mayors-benevolent-fund
- Families having difficulty providing regulation school uniform can also discuss this with their child's school.

Contributions to school funds and school trips

There is no charge or cost related to the admission of a child to a school. While parents from low-income families may feel concerned about the level of voluntary contributions that schools request, this should not deter them from expressing a preference for a school. Parents are assured that, if they choose not to make voluntary contributions, their child will not be disadvantaged.

School Meals

Hot meals are available at midday in most schools. There is a choice of menus and vegetarian meals are offered daily. The cost of the meal is decided by the council.

Free school meals

All children in Reception, Year 1 and Year 2 are entitled to a free school meal under the Universal Infant Free School Meals scheme.

From Year 3 onwards, your child may be entitled to free school meals if your household receives one of the qualifying benefits.

These include:

- Universal Credit
- support under Part VI of the Immigration and Asylum Act 1999
- the guarantee element of Pension Credit
- certain other qualifying benefits as determined by the Department for Education.

For the latest eligibility criteria and information on how to apply, please visit: www.barnet.gov.uk or www.gov.uk/apply-free-school-meals

Please note: Receiving a benefit does not automatically mean that a child will qualify for free school meals. Eligibility will be assessed against the current national criteria.

If you receive benefits your child's school is entitled to important additional funding called the 'Pupil Premium'. Schools can use the extra money for a range of activities that can help to raise the attainment of disadvantaged children from Reception to Year 6.

Schools generally provide facilities for children who wish to bring a packed lunch from home. Parents should check individual school policies for details of meal arrangements, including any provision for milk.

School attendance

By law, parents are responsible for ensuring that children of compulsory school age receive a suitable full-time education, either by registering their child at a school or by making other appropriate arrangements.

Children are not required to start school until they reach compulsory school age, which is the beginning of the school term following their fifth birthday.

The Local Authority works with schools to promote good attendance. Education Welfare Officers provide advice and support to children, families and schools and, where necessary, carry out the Council's statutory responsibilities relating to school attendance.

Further information is available at www.barnet.gov.uk/schools-and-education/school-attendance. The best way to contact the Education Welfare Team is via e-mail ewt@barnet.gov.uk There is also a telephone number **020 8359 7684**.

Home schooling
